

#187 V. I. Lenin – Capitalism vs. Communism

Key Understanding: *Both Capitalism and Communism represented mankind's May Day of rest. The Cold War between the U.S., the 8th, and the USSR, the 7th, represented competing political systems – Capitalism vs. Communism – dwelling on the Tree of Knowledge of Good and Evil, each representing Man's May Day Millennium of Rest.*

Revelation 17:10-11 (KJV) . . . and THE OTHER [the Seventh Kingdom, the USSR, representing Communism] IS NOT YET COME; and when he cometh, he [the Seventh Kingdom, the USSR, representing Communism] must continue A SHORT SPACE. 11 And THE BEAST [out of the Pit in Rev. 17:08, the United States of America, representing Capitalism] that was, and is not, even HE IS THE EIGHTH, and is of the seven, and goeth into perdition.

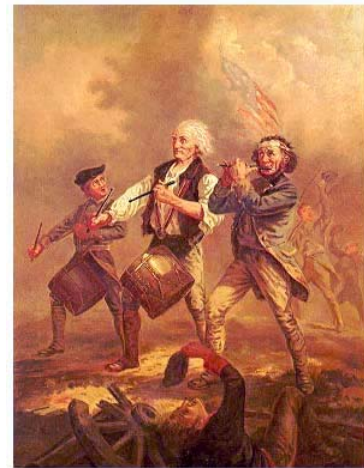

(1) The United States and Capitalism represent the political redemption of the world

(a) Seen through the **VI Millennium Key Understanding of Unsealing #29: *The May Day millennium***. The Lord calls the millennium which began in 1000-1001 A.D. the May Day Millennium. The May Day Millennium of the glory of man is a counterfeit of the Lord's Seventh Day, or Sabbath Day, Millennium of Rest. [The New World was discovered by the VI Kings in 1000-1001 A.D.]

(b) Seen through the **Mayflower Key Understanding of Unsealing #30: *Mayflower men***. The *Mayflower Compact* represents a start of the counterfeit politically redemptive May Day of Rest for the world through Man's – not God's – New World Governments in the *Sixth Millennium*.

(c) Seen through the **Spirit of '76 Key Understanding of Unsealing #14: *The Church with the Spirit of '76***. The 6 vs. 7 confusion of the 'Number of Man' Six Church of Philadelphia with the 'Number of God' Seven Church of Laodicea shows that Satan has sown confusion in the church as to what is of man (six), and what is of God (seven). This is the primary reason why the birth of the Little Horn Nation – which helps to cause that confusion – occurred in '76. *The Spirit of '76*, which encompasses the Laodicean Church, reflects the reversal of places of the '6' Church of Philadelphia with the '7' Church of Laodicea.

(2) The USSR and Communism represented the political redemption of the world

(a) Seen through the **V. I. Lenin** Key Understanding of Unsealing [#186](#): *The V. I. Lenin ‘May Day’ rest for mankind*. May Day was strongly attached to the V. I. Lenin-founded Soviet Union for the purpose of pointing to the theme of the V. I. Millennium, or the VI Millennium, or the *May Day Millennium*. Thus, in the spiritual realm, the May Day and International Labor Day Marxist-Lenin political philosophies of the Soviet Union represented Man’s way of bringing forth a Millennial Rest for mankind upon the earth, as a counterfeit of the Lord’s Seventh Day-Sabbath Day Millennial Rest.
