#188 V. I. Lenin – The USSR played the role of the Beast, while America plays the role of God's Millennial Kingdom

Back in Unsealings #96 and #144, which were about why Germany was *Broken Clay*, and yet was a part of the Pact of Steel, we explained that in a marvel of prophetic design, the Lord was revealing that America was the Counterfeit Rod of Iron, in comparison to the Lord's True Rod of Iron. Germany was playing the role of America, while America was playing the role of God's Millennial Kingdom. The same is true for the prophetic relationship between the U.S. and the USSR.

Revelation 17:10-11 (KJV) . . . and <u>THE OTHER</u> [the Seventh Kingdom, the USSR, representing Communism] <u>IS NOT YET COME</u>; and when he cometh, he [the Seventh Kingdom, the USSR, representing Communism] must continue <u>A SHORT SPACE</u>.

11 And <u>THE BEAST</u> [out of the Pit in Rev. 17:08, the United States of America, representing Capitalism] that was, and is not, even <u>HE IS THE EIGHTH</u>, and is of the seven, and goeth into perdition.
