#190 The Double Russian Revolutions of 1917 – The Lord's Purpose #1: Birthing the 7th Kingdom and 'Birthing' the 8th Kingdom of Revelation 17:10-11

We are now making the transition from <u>V. I. Lenin</u> to expand upon the significance of <u>The Double Russian Revolutions of 1917</u>.

First, let's review information from Unsealing #176 Making the World Safe for Democracy – The Double Russian Revolutions of 1917.

First Russian Revolution of 1917, the Democratic Provisional

Government. The First Russian Revolution in March 1917 led to a democratic Provisional Government at the time of the overthrow of Romanov Tsar

Nicholas II. This was the government that Woodrow Wilson supported. Its establishment would aid Woodrow Wilson in his decision to enter the war to "Make the World Safe for Democracy."

Second Russian Revolution of 1917, the Bolsheviks. Russia was in severe turmoil during the mid-months of 1917. The Bolsheviks, led by V. I. Lenin, wanted power and were able to overthrow the democratic Provisional Government in what is known as the October Revolution. [Thus, the name of the Russian submarine in the book and movie *The* Hunt for Red October was Red October.] However, Russia at the time of World War I was still abiding by the old calendar, and in the western world, the October Revolution was occurring on November 6-7, 1917. November 6-7, 1917, were the beginnings of what would become the "short space" Soviet Union.

1917 launched the World War I Second Ascension of America, the 8th Kingdom; the Second Russian Revolution of 1917 birthed the 7th Kingdom, the "short space" Soviet Union. In fact, one of the Lord's primary purposes in ordaining Double Russian Revolutions was to initiate the Double 'Births' of Kingdoms at that point in time, meaning the 7th and 8th Kingdoms of Revelation 17:10-11. The 7th would represent Soviet Communism. The 8th would "Make the World Safe for Democracy."
