

**#260 The Austrian Successor – Q: The Austrian Successor to what? A: The position of the ‘One Nation Under God’ Holy Christian Roman Empire of the West**

**Question:** Through the events of World War I, the United States became the Austrian Successor to what?

**Key Understanding and Answer:** *The ‘One Nation Under God’ Holy Christian Roman Empire of the West.* Carrying the mantle of ‘Double Fourth Romes,’ the United States was the successor to the Austrian-led Holy Roman Empire (which represented the Western Leg of Iron of Diocletian’s Split), as the Holy Christian Roman Empire of the West (continuing the representation of the Western Leg of Iron of Diocletian’s Split). Its ‘One Nation Under God’ role was to be more Protestant in nature, and more disconnected from the Roman Catholic Church and the Papacy than was the Austrian Empire and its Holy Roman Emperors.

**The *Fourth Christian Roman Empire of its day***

[However, the Holy Roman Emperor-Pope link would shift to the Presidency, leading America, and the Papacy, leading the Roman Catholic Church. While this relationship was insignificantly dormant for years, a Presidency-Papacy alliance and collaboration came alive through Ronald Reagan and Pope John Paul II and their combined efforts in the defeat of Communism. This will later be covered in more detail.]

**Review: The *Fourth Christian Roman Empire of its day***

**Double Fourth Romes.** Remember [reference Unsealing #169], through the events of World War I, the United States did not only become the *Fourth Rome* since the time of the beginnings of the Roman Empire – which then became represented through Christian Empires, such as Constantine and the Byzantine Empire, and the Russian Empire – but it was also becoming the *Fourth Christian Roman Empire of its day*.

The United States was the **Fourth Christian Roman Empire** that alone then assumed the demonically-anointed Christian Empire mantle of carrying the torch for Jesus Christ, though in the name of *Democracy*.

The verse *below* is more oriented to the Revolutionary War ascension of America as the Austrian Successor. The entire picture must be seen together, of course.

***Revelation 13:1 (KJV) And I stood upon the sand of the sea[shore], and saw A [Daniel 7:8 Little Horn 'Fourth Rome', and Austrian Successor] BEAST RISE UP OUT OF THE SEA, HAVING SEVEN HEADS AND TEN HORNS, and UPON HIS [Ten] HORNS TEN CROWNS, and upon his heads the name of blasphemy.*** [The Ten Horns with Ten Crowns are fulfilled through the Bill of Rights of December 15, 1791, 29 years *less 2 months* after the February 15, 1763, Treaty of Hubertusburg ended the Seven Years' War.]
