**#363 The Red Beast vs. The Scarlet Beast – Why there were Double 7th Heads, part 1, Both the 7th Head *Red* USSR and the 8th Head *Scarlet* Beast U.S. defeated Germany**

We are now going to understand more fully *why* the Lord designed that there be Double 7th Heads. We already understand that one reason is because Third Reich Germany and the Soviet Union represent *"short space"* kingdoms which arose in conjunction with or after World War I. The United States defeated Germany as the 7th Head in World War II, and then defeated the Soviet Union as the 7th Head in the Cold War.

[Reference Unsealings #127–#130 for the defeat of the 7th Head, Germany, by the U.S., and Unsealings #116–#122 for the defeat of the 7th Head USSR by the U.S.]

The 7th Head defeating the 7th Head. There is another aspect to the Double 7th Heads that we will now cover. Both the 8th Head *Scarlet* Beast United States and the 7th Head *Red* Soviet Union defeated Third Reich Germany *simultaneously*. Thus, one of the Double 7th Heads, Third Reich Germany, was defeated by the other of the Double 7th Heads, the Soviet Union.

Key Understanding: Both the Great *Red* Dragon's 7th Head *Red* USSR and 8th Head *Scarlet* Beast U.S. – in alliance with one another – defeated 7th Head Third Reich Germany in World War II.

[While Revelation 17:10-11 are the key verses for the Double 7th Heads (Kingdoms), we also learned that the defeat of Germany by the U.S. and the USSR is in Daniel 2:41-42. What is shown *below* is taken from Unsealing #97.]

*Daniel 2:42 (KJV) And as the **TOES OF THE FEET** were part of **IRON** [Eisenhower – the Man of Iron – representing the western Allies of America-Britain-France, and Stalin – the Man of Steel – representing the Soviet Union], and part of CLAY [Hitler's Germany at 2:41 a.m., May 7, 1945], so THE KINGDOM SHALL BE PARTLY STRONG, and PARTLY BROKEN [Hitler's Germany at 2:41 a.m., May 7, 1945].*

April 25, 1945 – East meets West. Eight Russian armies completely encircled Berlin, linking up with the U.S. First Army patrol, first on the western bank of the Elbe, then later at Torgau. Germany had become, for all intents and purposes, Allied territory.
