The Red Beast vs. Scarlet Beast Vietnam War.

Remember, the Vietnam War (often referred to as the Vietnam Conflict) essentially represented an ideological and military “proxy war” between the two world superpowers that remained as a result of World War II, the 7th Head *Red* Beast USSR and the 8th Head *Scarlet* Beast United States. **Red vs. Scarlet was at the heart of it all, which is why the city of Hanoi in North Vietnam, which became entirely associated with Ho Chi Minh, sits on the Red River.**

The Red River. The Red River is the second largest river in Vietnam, after the Mekong. The Red River descends from Yunnan, a mountainous region in the south of China. It enters Vietnam at the city of Lao Cai, in the northwestern part of the country. It curves on more than 1000 kilometers (over 600 miles) before dying in the bay of Ha Long.

The Red River

Hanoi. The Red River and the city of Hanoi go together. The city of Hanoi sits on the Red River. In fact, it gets its name from the river, for *ha* means *river*, and *noi* means *inside*. The city arose on the inside of a bend in the Red River. Hanoi was founded in the year 1010. It served as the capital of Vietnam from the 1000's to 1802, when Hue became the capital. After Vietnam was divided in 1954, Hanoi became the capital of North Vietnam. Then after North Vietnam took control of South Vietnam in 1975 at the end of the Vietnam War, Hanoi became the capital of the unified nation of Vietnam. [Saigon, South Vietnam, was renamed Ho Chi Minh City.]

Hanoi City on the Red River

Key Understanding: *The prophetic role of the Red River. One reason for the Lord ordaining that the ideological and military “proxy war” between the 7th Head Red Beast USSR and the 8th Head Scarlet Beast United States occur in Vietnam is because the country’s history and culture are greatly associated with the Red River.*

Revelation 17:10-11 (KJV) And there are SEVEN KINGS: FIVE [Egypt, Assyria, Babylon, Medo-Persia, Greece] ARE FALLEN, and ONE IS [the Sixth Kingdom, Rome], and THE OTHER [the Seventh (7th) Head of the Dragon, the Red Soviet Union] IS NOT YET COME; and when he cometh, he [the Seventh (7th) Kingdom] must continue A SHORT SPACE.

11 And THE [Scarlet] BEAST that was, and is not, even HE IS THE EIGHTH [the 8th Head of the Dragon, the Scarlet Beast United States], and is of the seven, and goeth into perdition
