

#393 The Deadly Wound of the Beast, Phase II – Ronald Reagan’s ‘City on a Hill’

Both the United States and Ho Chi Minh’s North Vietnam represented counterfeit enlightenments during the Vietnam War, showing the Cold War itself between the 7th Head *Red* USSR and 8th Head *Scarlet* Beast U.S. to be a war between counterfeit enlightenments.

Both of the “enlightened” 7th and 8th Heads were/are counterfeits of Matthew 5:14.

Matthew 5:14 (KJV) YE ARE THE LIGHT OF THE WORLD. A city that is set on an hill cannot be hid.

Reagan’s America as the City on a Hill. To further confirm that America is a counterfeit of the Light of the World of Matthew 5:14, President Ronald Reagan borrowed from John Winthrop of the Puritans and from Matthew 5:14, viewing America as a shining ‘City on a Hill.’ This is especially noteworthy as Ronald Reagan is given more credit than any other man for defeating the 7th Head *Red* USSR in the Cold War. [Note: It is the true heavenly kingdom church of Jesus Christ that is called to be the Light of the World and the City on a Hill. It is scripturally impossible for any earthly kingdom to truly be such during the New Testament time period.]

Matthew 5:14 (KJV) YE ARE THE LIGHT OF THE WORLD. A CITY THAT IS SET ON AN HILL cannot be hid.

Key Understanding: *The shining city upon a hill.* Ronald Reagan’s final words in his Farewell Address to the nation as he departed office in January 1989 emphasized America as being a “shining city upon a hill.” His words were exciting and powerful and brought chills to patriotic Christians in America, but they actually represented the seduction of false doctrine, and were a counterfeit of Matthew 5:14.

President Ronald Reagan delivers his ‘City on a Hill’ farewell address on January 11, 1989

To summarize this and the previous two Unsealings, it can be seen through the ‘counterfeit enlightenments’ Cold War battle between the 8th Head *Scarlet* Beast United States and the 7th Head *Red* Soviet Union that America is a counterfeit of each of the Matthew 5:14 themes of (a) the Light of the World, and (b) a City on a Hill.
