

#398 The First Oswald Head Wound – America’s Revolutionary War victory over Great Britain was the First Oswald Head Wound

Richard Oswald was Britain’s primary negotiator of what became the September 3, 1783, Treaty of Paris, which officially handed Great Britain its defeat in the Revolutionary War and finalized the birth of the United States as the Scarlet Beast out of the Pit.

Key Understanding: *Richard Oswald and the first Oswald head wound.* The Lord ordained a man named Oswald to be Britain’s chief negotiator of the September 3, 1783, Treaty of Paris to represent the prophetic theme of the First Oswald Head Wound. The First Oswald Head Wound is referring to the defeat of Great Britain by the United States of America at the time of its birth.

[The *Second* Oswald Head Wounds (plural) will *in part* be referring to the assassination of John F. Kennedy by Lee Harvey Oswald. The First Oswald Head Wound and the Second Oswald Head Wounds are prophetically connected.]

Revelation 13:3 (KJV) And I SAW *ONE OF HIS HEADS AS IT WERE WOUNDED TO DEATH; AND HIS DEADLY WOUND WAS HEALED*: and all the world wondered after the beast.
