

#399 The First Oswald Head Wound – Is the First Oswald Wound of Great Britain a Head Wound?

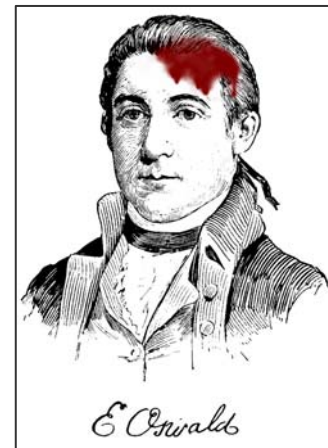

When we arrive at our discussions concerning the Second Oswald Head Wounds, we would already have surmised that at least a part of the Second Oswald Wounds is indeed a *Head* Wound, for Lee Harvey Oswald literally wounded the *head* of John F. Kennedy.

The question is . . . is the *First* Oswald Wound a *Head* Wound? The answer to that question is ‘yes’. The First Oswald Wound, which is represented by the wounding of Great Britain through its loss of the Revolutionary War and the birth of the United States of America, is a Head Wound in the same sense that Germany and the USSR represent 7th *Head(s)* or Kingdom(s) of the Beast, the 8th Head of the Dragon. (In other words, the term “Head Wound” is referring to Great Britain *also* being a *Head* of the Dragon, just as Third Reich Germany and the USSR were the 7th *Heads* of the Dragon.)

Revelation 13:3 (KJV) And I SAW ONE OF HIS HEADS [the 7th Head(s) or Kingdom(s), Third Reich Germany and the USSR] AS IT WERE WOUNDED TO DEATH; AND HIS DEADLY WOUND WAS HEALED; and all the world wondered after the beast.

Great Britain, the “forerunner” 7th Head. In fact, Great Britain is meant to be a “forerunner” 7th *Head* as concerns the fulfillment of Revelation 13:3. The word “forerunner” means “one going or sent before to give notice of the approach of others.” Great Britain was a “forerunner” 7th *Head* of the Dragon (and Beast), pointing ahead to the more perfect fulfillments of Third Reich Germany and the USSR as 7th *Heads*, the Double 7th Kingdoms.

The first Oswald head wound

Revelation 13:3 (KJV) And I SAW ONE OF HIS HEADS [the “forerunner” 7th Head, Great Britain] AS IT WERE WOUNDED TO DEATH; AND HIS DEADLY WOUND WAS HEALED; and all the world wondered after the beast.

Key Understanding: *The first Oswald head wound.* Because Britain was playing the role of a “forerunner” 7th Head of the Dragon (and Beast), it can be said that the First Oswald Wound, which was a wound to Great Britain, is a First Oswald Head Wound. This understanding will become even more logical as we progress.
