

#438 George Washington, the counterfeit Living Stone/Chief Cornerstone – The Living Stone President: Robert R. Livingston swears in George Washington on April 30, 1789

Robert Livingston

The man who administered the first presidential oath of office – to George Washington – was Robert R. Livingston, whose name obviously points to *living stone*. Let's explain the prophetic significance of a man whose name points to *living stone* – Robert R. Livingston – swearing in George Washington on April 30, 1789, as the first President of the United States.

Just as Jesus Christ is the *husband* and *head* of the 'holy nation' Church – the *body* of Christ – U.S. Presidents George Washington and George H. W. Bush were *antichrist husbands* and *heads* of the 'One Nation Under God' *body* of Americans and the Scarlet Beast's Church.

Key Understanding: *The counterfeit living stone.* Similarly, just as Jesus Christ (the *head* of the *body* of Christ) is *the Living Stone/Chief Cornerstone* (1 Peter 2:4, 6) of the spiritual house of God, of which believers are also "*living stones*" (1 Peter 2:5), George Washington (the head of the body of Americans) was also the counterfeit Living Stone/Chief Cornerstone of the counterfeit spiritual house of God, the body of Americans. This is why Robert R. Livingston, whose name points to *living stone*, was the man who administered the oath of office at Washington's inauguration on April 30, 1789. George Washington became the Living Stone President.

Robert R. Livingston administered the oath of office to George Washington on April 30, 1789

*1 Peter 2:4-6 (KJV) To whom coming, as unto A LIVING STONE, disallowed indeed of men, but chosen of God, and precious,
5 Ye also, as lively stones [living stones], are built up a spiritual house, an holy priesthood, to offer up spiritual sacrifices, acceptable to God by Jesus Christ.*

6 Wherefore also it is contained in the scripture, Behold, I lay in Sion A CHIEF CORNER STONE, elect, precious: and he that believeth on him shall not be confounded.

Here is **#438–Doc 1**, which includes a description of **the April 30, 1789, inauguration of George Washington** and the administering of the oath of office by Robert R. Livingston. Modern Presidents are sworn in by the Chief Justice of the U.S. Supreme Court, but it was not yet established. Therefore, Livingston, the chief judge of New York State, administered the oath.
