

#484 The Genesis 19:24 Judgment on the USSR – The Birth of George H. W. Bush in 1924

V. I. Lenin died in **1924** (January 21). The Soviet Union was diplomatically recognized in **1924** (February 1). George H. W. Bush, the U.S. President who was in office at the time of the December 8-10, 1991, “*time of the end*” of the Soviet Union, was born in **1924** (June 12).

Furthermore, there is also a recognizable ‘2-month + 11-days’ date change associated with the death of V. I. Lenin and the birth of George H. W. Bush. [Recall that Unsealing [#244](#) revealed the significance of 2-months and 11-days joined together in the overall theme of “*think to change times*” in Daniel 7:25. The time change from the Julian to the Gregorian calendar on October 4, 1582, was 209 years + 2 months + 11 days before the December 15, 1791, Bill of Rights.] **V. I. Lenin died on January 21, 1924, 2 months + 11 days before April 1, 1924, which in turn was 2 months + 11 days before the June 12, 1924, birth of George H. W. Bush.**

V. I. Lenin and George H. W. Bush go together. More specifically . . .

The Lord ordained the *end*, or *death*, of Lenin and the *birth* of Bush in 1924 . . .

Death of Lenin

Death of Soviet Leninism

Key Understanding:
The *end* of V. I. Lenin occurred in 1924, in prophetic association with the *birth* of George H. W. Bush in 1924. The Lord ordained the *end*, or *death*, of Lenin and the *birth* of Bush in 1924 to foretell the “*time of the end*” death of Soviet Leninism during the Presidency of George H. W. Bush. The *ends*, or *deaths*, of Lenin/Leninism are prophetically joined with the *birth* of George H. W. Bush, and his *rise* to the presidency, respectively. Soviet Leninism met its death simultaneously with George H. W. Bush being the leader of the Free World.

. . . to foretell the “*time of the end*” death of Soviet Leninism during the Presidency of George H. W. Bush.

The key verse for when we complete the understanding of why both the death of V. I. Lenin and the diplomatic recognition of the Soviet Union occurred in 1924 (exactly 11 days apart), in combination with the birth of George H. W. Bush also occurring in 1924, is Genesis 19:24. The next few Unsealings will complete the picture of The Genesis 19:24 Judgment on the USSR.
