

#613 Salem Rebellion, Salem Witchcraft – Continuing with more Doubles of (1) the Mathers’ Boston Rebellion of 1688-1689 and (2) the American Boston Rebellion of 1775-1776, part 1, Increase Mather and Cotton Mather

As the title states, we are continuing on with more doubles of (1) the Mathers’ Boston Rebellion of 1688-1689 and (2) the American Boston Rebellion of 1775-1776. What is the purpose? The purpose is to show that the Mathers’ Boston Rebellion is a predecessor of the American Revolutionary War.

Key Understanding: *Two Mathers*. However, the purpose of this particular Unsealing *will stop short* of outlining a double of (1) the Mathers’ Boston Rebellion of 1688-1689 with (2) the American Revolution of 1775-1776, but instead will simply note a double associated *only* with 1688-1689. That *double* is that the Lord chose to involve *two* Mathers – Increase Mather, the father, and Cotton Mather, his son – in the subject matter of the Mathers’ rebellion against the Dominion of New England and the Salem Witchcraft Trials. As it says further below, the double of Increase Mather and Cotton Mather exists to confirm the entire picture of double(s) associated with (1) the Mathers’ Boston Rebellion of 1688-1689 and its *double*, (2) the Boston Rebellion of 1775-1776.

Increase Mather

The Double of Increase Mather and Cotton Mather. From 1688 to the early part of 1692, Increase Mather spent his time in England fighting against the Dominion of New England and for the restoration of the charter of the Massachusetts Bay Colony. In the meantime, in 1689, Cotton Mather was on the other side of the Atlantic Ocean, in America, helping to oust Sir Edmund

Cotton Mather

Andros. [We have yet to mention Increase Mather’s impact on and involvement in the Salem Witchcraft Trials upon his return to America in 1692. We will get to that.]

Because the double Mathers – Increase and Cotton – are connected only with (1) *below*, and not (2) *below*, we are not listing the double Mathers in the list. For the same reason, we are *not* listing the double castings out of Edmund Andros from Massachusetts (1689) and Virginia (1698). Nonetheless, those additional *doubles* of the Mathers and of the castings out of Edmund Andros, which are associated only with (1) *below*, exist to confirm the entire picture of doubles associated with (1) the Mathers’ Boston Rebellion of 1688-1689 and its *double*, (2) the Boston Rebellion of 1775-1776.

1 Samuel 15:23 (KJV) FOR [1688-1692 Mather] REBELLION [in conjunction with the Glorious Revolution/English Bill of Rights of 1688-1689] IS AS THE SIN OF [1688-1692

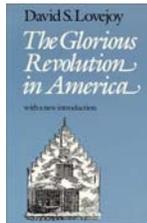

Boston-Salem] WITCHCRAFT, and stubbornness is as iniquity and idolatry. Because thou hast rejected the word of the LORD, he hath also rejected thee from being king.

The Mathers' Rebellion really represents the Glorious Revolution of 1688-1689. Of course, (1) the Mathers' Boston Rebellion of 1688-1689 seems to be much smaller and less significant than (2) the Boston Rebellion of 1775-1776 (the Revolutionary War), but remember, the Mathers' Boston Rebellion of 1688-1689 in America was actually historically/prophetically reflective of what was occurring in England – the enormous event of the Glorious Revolution of 1688-1689 (which – to bring it full circle – was associated with the English Bill of Rights, which, in turn, was the antecedent of the U.S. Bill of Rights, birthed as a result of the Revolutionary War). So again, the list (reference Unsealing [#609](#)).
