

#647 The Cotton Saints vs. the Linen Saints – Cotton Rebellion of the Colonies (Revolutionary War), Cotton Rebellion of the South (Civil War), part 1

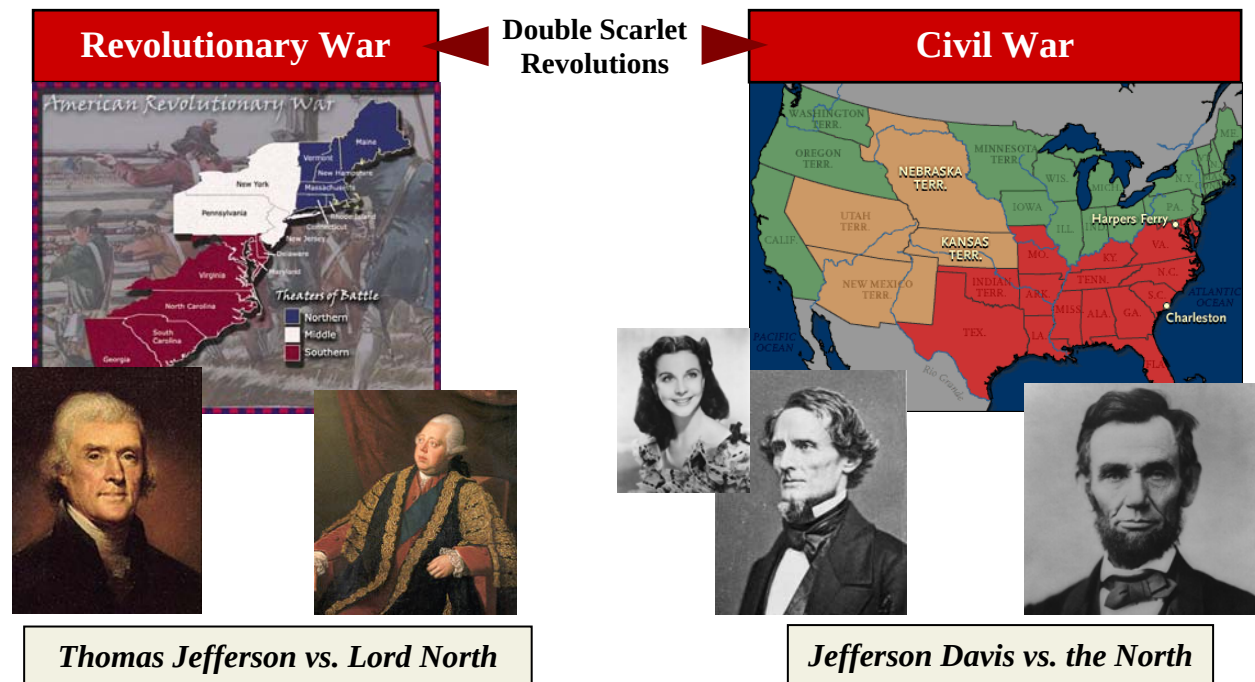

In Unsealings [#160](#) and [#373](#), we outlined facts concerning the doubles of the Revolutionary War and Civil War. A key verse was 2 Kings 2:9.

*2 Kings 2:9 (KJV) And it came to pass, when they were gone over, that Elijah said unto Elisha, Ask what I shall do for thee, before I be taken away from thee. And Elisha said, I pray thee, let **A DOUBLE PORTION OF THY SPIRIT** be upon me.*

The Jefferson double. Thomas *Jefferson* wrote the Declaration of Independence when America revolted against Great Britain, and *Jefferson Davis* quoted from that same Declaration of Independence when the South seceded from the Union.

The North double. Thomas Jefferson and the Declaration of Independence represented the revolution against **Lord North**, the Prime Minister of Great Britain. This was in fulfillment of America lifting up its horn against *the Lord in the north* (Psalm 75:5-7). Jefferson Davis represented the Confederate South in its revolution against the **North**. All of this helped us to see the *Scarlet* double.

The Scarlet double. The South's *Scarlett* ('Gone With The Wind' Civil War) Revolution against the North (1861-1865) was a double of America's *Scarlet* (Revolutionary War) Revolution against Lord North (1775-1783), which birthed *the Scarlet Beast*.

Revelation 17:3 (KJV) So he carried me away in the spirit into the wilderness: and I saw a woman sit upon A SCARLET COLOURED BEAST, full of names of blasphemy, HAVING SEVEN HEADS and TEN HORNS.

Key Understanding: *Cotton rebellions*. It is time to add the *Cotton* double to the *Jefferson* double, *North* double, and *Scarlet* double on the list of doubles surrounding the Revolutionary War and Civil War.

The *Cotton* double. The Lord ordained that prophetically there be (1) a Cotton Rebellion of the Colonies against England leading up to and including the *Revolutionary War* (referring especially to the Cotton family and its role and impact), and then (2) a Cotton Rebellion of the South against the North in the *Civil War* (referring especially to cotton as a crop and its role and impact).
