The Church-ill. The Church-ill theme sets up the understanding of this Unsealing. Unsealings [#663–#670](#) were The Churchill Saints of Daniel 7:21. **Review:** The Lord ordained for Winston Churchill to have such a name and for him to fulfill such a gigantic historical role for the purpose of spiritually/prophetically representing the theme of Church-ill – as in “Church ill,” meaning an “ill Church.” The saints described in Daniel 7:21, against whom the Little Horn antichrist/antichrist nation prevails, are to be called the Church-ill saints, for Winston Churchill was ordained by the Lord to represent himself and other historical figures of antichrist who *make war with the saints*, and *spiritually prevail against them*.

The Phony War in the eyes of men. To the natural eye, the Phony War phase of World War II ended on May 10, 1940, with the invasion of Western Europe by Adolf Hitler. The interrelated event of Winston Churchill becoming Prime Minister of Great Britain occurred the same day. The real war began.

The Phony War in the eyes of God. However, the Lord’s purpose for the Phony War phrase was to confirm what was really happening in the spiritual/prophetic realm, from the perspective of God . . .

Key Understanding: *The battle for souls.* The Lord’s purpose for the Phony War theme and its attachment to May 10, 1940, was to confirm the spiritual/prophetic understanding in Daniel 7:21 of Winston Churchill making literal war with the [Church-ill] saints, but spiritually prevailing against them. [May 10 = 5:10 = 7:21, with the 2-month + 11-day date change.]

In the eyes of God, the ‘real war’ that began on May 10, 1940, with the invasion of Western Europe by Hitler was a spiritual war that was being lost by Church-ill saints – Christians who allowed themselves to be led by the mind, heart, and wisdom of Winston Churchill, instead of Jesus Christ.

In the eyes of men, the May 10, 1940, beginning of the Hitler vs. Churchill war was the end of the Phony War and the beginning of the ‘real war.’ In the eyes of God, the May 10, 1940, beginning of the Hitler vs. Churchill war was a continuation of the Phony War that was masking the nature of the true spiritual war and the battle for souls.
