

**#767 Constantine the Great and Woodrow Wilson, II – Constantine and Revelation 6:2: He that sat on the White Horse had a Bow**

*Revelation 6:2 (KJV) And I saw, and behold **A WHITE HORSE**: and **HE** [Constantine the Great] **THAT SAT ON HIM HAD A BOW**; and **A CROWN** [of his father's (Constantius's) throne] **WAS GIVEN UNTO HIM** [at York]: and **HE WENT FORTH CONQUERING, AND TO CONQUER**. [Constantine sat on his earthly father's throne through the *Sword*. He conquered the entire Roman Empire and reigned on the earth in the name of the Heavenly Father.]*

**Key Understanding:** *He that sat on the white horse had a bow. In the summary of Constantine and his role as the prototype Antichrist White Horse Rider in the fulfillment of Revelation 6:2, point 4 – he that sat on him had a bow – is about York being tied to bow. The Lord ordained that Constantine would begin conquering from York, a city whose name is tied to bows of war.*

1. **REVELATION 6:2** (died on May 22 + 11 = 6:2)
2. **A WHITE HORSE**
3. **A CROWN WAS GIVEN UNTO HIM**
4. **HE THAT SAT ON HIM HAD A BOW**

The derivation of the name *York* is often attached by etymologists to the *yew tree*. *Eboracum*, the Roman name for *York*, comes from the Celtic word for *yew*, *eboraca*. **The wood was especially known for making excellent war bows.** In addition, Constantine had bowmen in his army as it headed south from York, England.

An old yew tree (*left*). A bow made of the wood of a yew tree (*right*).

5. *HE WENT FORTH CONQUERING, AND TO CONQUER*

Here is #767–Doc 1, which is a map showing **the steps of Constantine’s conquering of the Roman Empire**. Note how it all began at York. [This is also the map in [#753–Doc 1](#), and is the map in the next Unsealing’s doc as well.]
