

#800 The Black Horse Rider – America growing from the Little Horn through the defeat of “Forerunner” 7th Head Great Britain to the Little *Big* Horn through the defeat of the 7th Head Soviet Union

The defeats of Great Britain and the Soviet Union. We extensively covered the understanding of Great Britain having the role of the “forerunner” 7th Head at the time of the beginning of America and the Soviet Union as the 7th Head at the “*time of the end*,” and the doubles connected with each that confirmed the understanding. [Reference Unsealings [#399–#406](#).]

For example, there was an “at the beginning” James Lovell in American history representing the defeat of the “forerunner” 7th Head Great Britain and the “*time of the end*” James Lovell representing the defeat of the 7th Head Soviet Union. [Reference Unsealing [#403](#).]

There was also the theme of the “Husband Presidents,” referring to George Washington and George H. W. Bush, verifying the same theme of the “forerunner” 7th Head Great Britain and the 7th Head Soviet Union. [Reference Unsealings [#431–#436](#).]

Growing from the Little Horn into the Little *Big* Horn. The Revolutionary War defeat of Great Britain represented the rise of the Daniel 7:8 **Little Horn** nation of America. With the rise of America as the Little Horn nation as the background . . .

Key Understanding: *Growing from the little horn nation into the little big horn nation.* In concert with the established pairing of the ‘Little Horn’ Revolutionary War defeat of Great Britain and the Cold War defeat of the Soviet Union, the Lord – through the December 10, 1991, event of the renaming of Custer Battlefield National Monument to the Little Bighorn Battlefield National Monument coupled with the U.S.’s December 8-10, 1991, “*time of the end*” Cold War defeat of the Soviet Union – was describing America as having grown and matured from the Little Horn into the Little *Big* Horn.

July 4-8, 1776 – Birth of the Little Horn Nation

*Daniel 7:8 (KJV) I considered the [ten] horns, and, behold, there came up among them another **LITTLE HORN**, before whom there were **THREE OF THE FIRST HORNS** [England, France, Spain] plucked up by the roots: and, behold, in this horn were eyes like the eyes of man, and **A MOUTH SPEAKING GREAT THINGS** [referring to the *Declaration of Independence* and its meaning and doctrines, first read publicly by a mouth (Colonel John Nixon, pictured) on 7/8, in fulfillment of Daniel 7:8].*

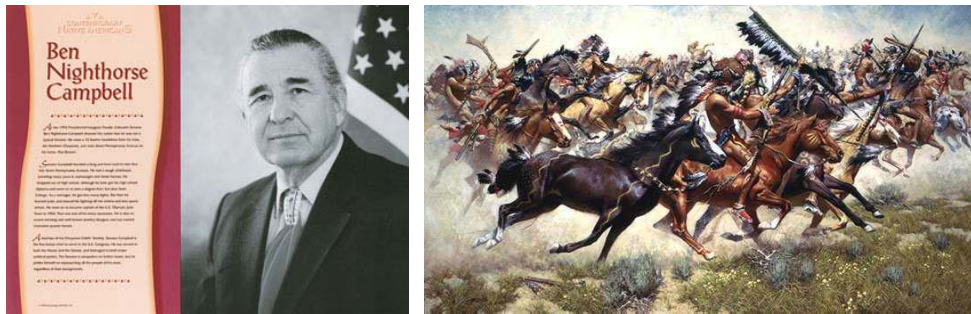

December 8-10, 1991 – Growing into the Little *Big* Horn Nation

*Daniel 12:10 (KJV) **MANY SHALL BE PURIFIED, and MADE WHITE** [in the counterfeit, White Russia’s parliament on December 10, 1991, approved the December 8, 1991, agreement to end the Soviet Union and create the Commonwealth of Independent States], and **TRIED** [in the counterfeit, referring back to Thomas Paine and *These are the times that **TRY** men’s souls*, also seen in Revelation 3:10 in the letter to the Church in Philadelphia]; **but the wicked shall do wickedly: and none of the wicked shall understand; but the wise shall understand.***

*Two events occurred on December 10, 1991, in fulfillment of America growing into the little **big** horn nation* (reference Unsealing #794), (1) Ben Nighthorse Campbell’s bill to change the name of Custer Battlefield National Monument to Little Bighorn Battlefield National Monument was signed by President George H. W. Bush, the 41st,

(1)

and (2) as a part of the process of the termination of the Soviet Union, the parliaments of the Ukraine and Belarus (White Russia) approved and entered into force the December 8, 1991, Agreement on the Establishment of the Commonwealth of Independent States. [Reference Unsealings #411 and #444 specifically, and actually the entire Many Shall Be Made White series in Unsealings #443–#451.] The latter event was a direct fulfillment of Daniel 12:10, when “many were made white.”
