

#812 The Black Horse Rider – World War I and Ronald Reagan (reviewing the key points of Unsealing #660)

World War I and Ronald Reagan. The Lord designed that Ronald Reagan’s riderless black horse, Sergeant York, be named after America’s greatest soldier hero of World War I, Sergeant York, to further connect (a) Woodrow Wilson, World War I, and the White Horse Rider with (b) Ronald Wilson Reagan, the Cold War, and the Black Horse Rider. Remember, the White Horse Rider is essentially also a Black Horse Rider.

Key Understanding: *World War I and Ronald Reagan.* The purpose of this Unsealing is to review the main points of Unsealing [#660](#) – Why Ronald Wilson Reagan was born on February 6, 1911, exactly 6, or VI, years before America’s April 6, 1917, entry into World War I – to further cement the fact that the Lord intended for Ronald Reagan to be attached to Woodrow Wilson and World War I.

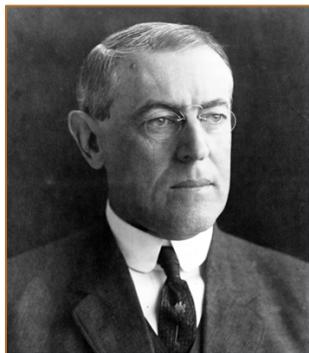

Ronald Wilson Reagan. Some have noted that the number of letters in the name of Ronald Wilson Reagan is 6,6,6. It is true that it has significance, though few would understand why Reagan fulfilled such antichrist symbolism. When the Mark of the Beast (Revelation 13:16-18) is explained later [in Unsealings [#1275](#)–[#1318](#)], it will become more clear.

Another 6, at Reagan’s birth. Furthermore, it is hugely prophetic that Ronald Wilson Reagan was born on February 6, 1911, exactly 6 years (+ the 2-month date change) before the April 6, 1917, entry of the Woodrow Wilson-led United States into World War I, to Make the World Safe for Democracy. Reagan was 6 years old that day because he was pointing to the Woodrow Wilson-led 1914 *White Cotton Saints* as being 1914 VI Cotton Saints, so to speak, representing man-centered democracy, numbered 6. The man-centered Woodrow Wilson-led *sword-bearing 1914 VI Cotton Saints* would later be led by Ronald Reagan during the Cold War, pitted against the man-centered *sword-bearing V. I. Lenin* nation of the Soviet Union.

*Revelation 6:5 (KJV) And when he had opened **THE THIRD SEAL**, I heard the third beast say, Come and see. And I beheld, and lo **A BLACK HORSE**; and he [Ronald Reagan, who died on June 5, 2004, symbolically dismounting for the last time the black horse, Sergeant York] that sat on him had **A PAIR OF BALANCES IN HIS HAND**.*

[December 10, 1991, was Black Horse Day, meaning that the Black Horse Rider U.S. defeated the Red Horse Rider USSR on that day, during the administration of George H. W. Bush. "Many were made white."]
