

#831 Man o' War – Man o' War represents the Body of Americans and its (their) Fourth Rome Christian Democracy, building the House of God through Making the World Safe for Democracy

Constantine, builder of the House of God. In the eyes of the *sword-bearing Church-ill*, Constantine, representing *Second Rome Christian Autocracy*, was a builder of the church of Jesus Christ, the House of God. Actually, Constantine was the prototype White Horse Rider of Revelation 6:2.

The Romanovs, builders of the House of God. In the eyes of the *sword-bearing Church-ill*, those of Russia's Romanov dynasty, representing *Third Rome Christian Autocracy*, were builders of the church of Jesus Christ, the House of God.

Woodrow Wilson, builder of the House of God. In the eyes of the *sword-bearing Church-ill*, 'Man o' War' Woodrow Wilson, representing *Fourth Rome Christian Democracy*, was a builder of the church of Jesus Christ, the House of God, through Making the World Safe for Democracy. Actually, Woodrow Wilson represented a prophetic step from Constantine to World War I, and assumed a major role in the layered fulfillment of the White Horse Rider of Revelation 6:2. **The horse Man o' War represents the building of the House of God by the World War I Body of Americans as Men of War.** However . . .

1 Chronicles 28:3 (KJV) But God said unto me [King David], THOU SHALT NOT BUILD AN HOUSE FOR MY NAME, BECAUSE THOU HAST BEEN A MAN OF WAR, AND HAST SHED BLOOD.

Key Understanding: Man o' War represents the body of Americans. The Lord specifically connected Man o' War, the horse, to Woodrow Wilson and America's entry into World War I in the fulfillment of its destiny as the Fourth Rome Christian Democracy, to make

the point that the *sword*-bearing Body of Americans was not building the true *cross*-carrying House of God.
