#917 The Woman is that Great City Babylon, II – Putting together (i) the first and second ascensions of the Revelation 17:08 Beast out of the Pit with (ii) the first step of building a single democratic nation Second Babel and the second step of building a worldwide Second Babel

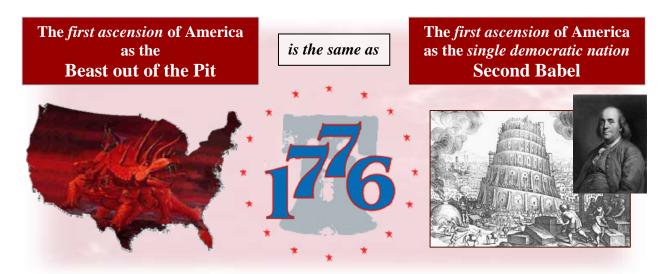

The Beast and Babel/Babylon the Great. What we are doing now is pulling together the large picture of (i) America as the Beast out of the Pit in Revelation 17 and (ii) America as the Second Babel/Babylon the Great of Revelation 18.

Revelation 17:08 (KJV) <u>THE BEAST</u> that thou sawest was, and is not; and <u>SHALL</u> <u>ASCEND OUT OF THE BOTTOMLESS PIT</u>, and go into perdition: and they that dwell on the earth shall wonder, whose names were not written in the book of life from the foundation of the world, when they behold the beast that was, and is not, and yet is.

Genesis 11:1 (KJV) And THE WHOLE EARTH WAS OF <u>ONE LANGUAGE</u>, and <u>ONE SPEECH</u> [Woodrow Wilson's April 2, 1917, 'The World Must Be Made Safe for Democracy' Speech].

More specifically, as the title says, we are putting together (i) the *first* and *second* ascensions of the Revelation 17:08 Beast out of the Pit with (ii) the *first step* of building a *single democratic nation* Second Babel and the *second step* of building a *worldwide* Second Babel.

Key Understanding: The <u>first ascension</u> of the Revelation 17:08 <u>Beast out of the Pit</u> was attached to the Revolutionary War and can be seen in the July 4, 1776, U.S. Declaration of Independence, as well as the September 17, 1787, U.S. Constitution, and is the same as the building of the U.S. as a <u>single democratic nation Second Babel</u>, for it also was attached to the Revolutionary War and can also be seen in the July 4, 1776, Declaration of Independence (via E Pluribus Unum, meaning "Out of Many, One") and the September 17, 1787, U.S. Constitution (via the reference to the builders of Babel in the Benjamin Franklin/James Wilson speech).

The <u>second ascension</u> of the Revelation 17:08 <u>Beast out of the Pit</u> is attached to the rise of America's power due to World War I, and can be seen in the 209 years from the November 15, 1708, birth of William Pitt, the Elder, to Sergeant York's November 15, 1917, induction into the army. [The series <u>The World War I Second Ascension of America</u> was covered in Unsealings #156-#173.]

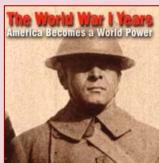

Through this second ascension, the Beast out of the Pit birthed the <u>Image of the Beast</u>, which had its genesis in the Partnership of Democratic Nations in Woodrow Wilson's April 2, 1917, speech, but ended up in the form of the League of Nations/United Nations. [The series <u>The Image of the Beast</u> was covered in Unsealings #285-#311.] The <u>second ascension</u> of the <u>Beast out of the Pit</u> – through the <u>Image of the Beast</u> – is thus closely related to the <u>second step</u> of building a worldwide <u>Second Babel</u> of a Partnership of Democratic Nations.

The second ascension of America as the Beast out of the Pit

is the same as

The second ascension of America building a worldwide Second Babel
