

#977 The Whore's Latter Rain – In 605 B.C., Nebuchadnezzar's Babylon registered a Pair of Victories over (i) Egypt at the Battle of Carchemish, and (ii) Judah, for the purpose of connecting to the future Revelation 6:05 Black Horse Rider, part 6, The Two Armies of Locusts with masquerading spirits: Joel's Former Rain Union Army of April 9, 1865, and Joel's Latter Rain World War I Army of Good Friday, April 6 [= 9], 1917

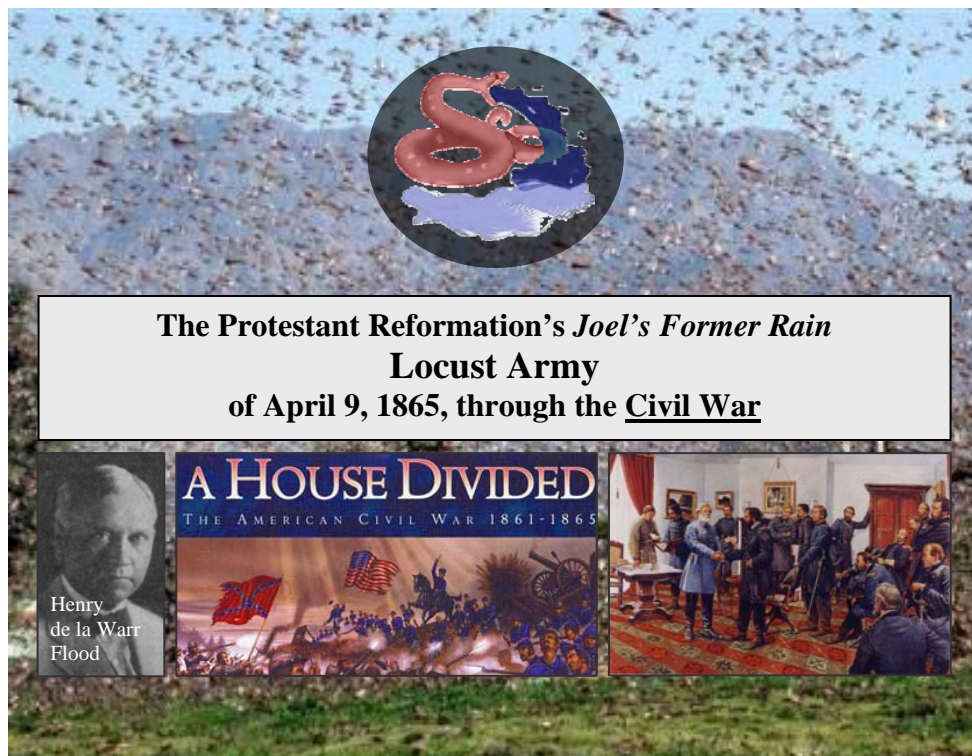

*Joel 2:23-25 (KJV) Be glad then, ye children of Zion, and rejoice in the LORD your God: for he hath given you the **FORMER RAIN** moderately, and he will cause to come down for you the rain, the **FORMER RAIN**, and the **LATTER RAIN** in the first month.*

24 And the floors shall be full of wheat, and the vats shall overflow with wine and oil.

*25 And I will restore to you the years that the locust hath eaten, the cankerworm, and the caterpillar, and the palmerworm, **MY GREAT ARMY** which I sent among you.*

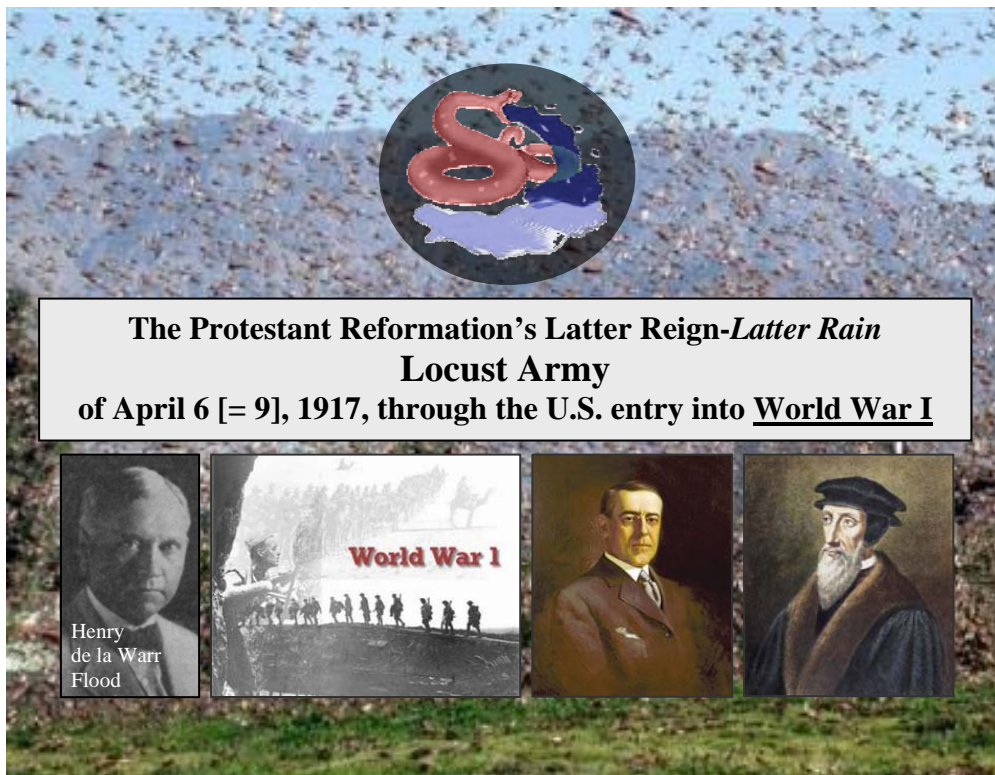

In Joel 2, the theme of the Lord's "great army" is seen with, but is in contrast to, the former rain and the latter rain. This is because the Lord's "great army" was a judgment by the Lord upon his people, while the former rain and latter rain represented blessings of the Lord upon his people.

However, quite the opposite of Joel 2, U.S. Grant's Union Army of April 9, 1865, is positively associated with the blessings of Joel's former rain. Likewise, the U.S. Army of April 6 [= 9], 1917, is positively associated with the blessings of Joel's Latter Rain, as if both armies represented blessings from the Lord upon his people. (See Unsealing [#961](#).) But that is a lie in the spiritual realm. Instead . . .

Key Understanding: *Lincoln's locust army.* The Union Army of April 9, 1865, that seems to represent Joel's former rain blessings upon the Church of Jesus Christ was instead a Locust Army, spiritually devouring and consuming the Church of Jesus Christ. Likewise, the U.S. Army of April 6 [= 9], 1917, that seems to represent Joel's Latter Rain blessings for the Church of Jesus Christ, was instead also a Locust Army, spiritually devouring and consuming the Church, making it a part of the Second Babel/Babylon the Great and its purpose of building the *worldwide* Second Babel of a Partnership of Democratic Nations.

***The Armies of Locusts.* The Union Army of the Civil War and the U.S. Army of World War I were each an Army of Locusts, masquerading as Joel's Former Rain Army and Joel's Latter Rain Army, respectively. They actually represented the Woman's – the Whore's – Latter Rain, drinking the blood of the saints, Revelation 17:6.**
