## #1376 America as Media-Persia and the Building of Israel – *Repeat of Unsealing #1257*

#1257 America as Media-Persia – Israel's first day as a nation was on May 15, 1948; the U.S. recognizes Israel on May 15, 1948 (Israeli time); General John J. Pershing, to represent America as the Media-Persian deliverer of Israel, is ordained to die on July 15, 1948

In the establishment of Israel as a nation, we see the World War I stage of the "Media-Persian" deliverance of the Jews to the Promised Land (through the defeat of the Ottoman Turks and the November 2, 1917, Balfour Declaration), and the

World War II stage of the "Media-Persian" deliverance of the Jews to the Promised Land (through the defeat of Nazi Germany/Japan and the May 14, 1948, establishment of the nation of Israel).

May 15, 1948, the first day of Israel as a nation. With the British Mandate for Palestine ending at midnight on May 14, 1948, Israel's first day as an independent nation was May 15, 1948.

May 15, 1948, the recognition of Israel by the United States. At 11 minutes after midnight on May 15, 1948 (Israeli time; it was 6:11 p.m., May 14, 1948, in the U.S.), the United States recognized Israel as a nation.

May 15, 1948, Arab armies attack Israel. Arab states issued their response statement and Arab armies, chiefly from Egypt, Syria, Lebanon, Iraq, and Jordan (called Transjordan until 1949), attacked Israel, aiming to destroy the new nation. [By early 1949, Israel had defeated the Arabs and gained control of about half the land planned for the new Arab state. Egypt and Jordan held the rest of Palestine. Israel controlled the western half of Jerusalem and Jordan held the eastern half. Israel incorporated the gained territory into the fledgling country, adding about

150,000 resentful Arabs to its population. Hundreds of thousands of other Palestinian Arabs fled their homes and settled as refugees in parts of Palestine not under Israeli control and in neighboring Arab countries. By mid-1949, Israel had signed armistice agreements with Egypt,

Syria, Jordan, and Lebanon. But formal peace treaties were not signed because the Arab nations refused to recognize the existence of Israel.]

July 15, 1948, the death of General John J. Pershing. Exactly 2 months after the birth of Israel came the July 15, 1948, death of General John J. Pershing of World War I. [Reference the bios of General John Pershing in Unsealings #1235–#1236.] [The Lord's use of the 2-month date change was introduced in Unsealing #242, and was discussed further with examples generally being shared in Unsealings #428–#430, #465, #472, #660, #673, #732, #738, #742, and most recently in #1243, with the subject matter of the dates of the 11/6

2 Chronicles 36:22-23 (KJV) Now in the first year of **CYRUS KING OF PERSIA***, that the word of the LORD spoken by the mouth of Jeremiah might be accomplished, the LORD stirred up the spirit of Cyrus king of Persia, that he made a proclamation throughout all his kingdom, and put it also in writing, saying,*

*23 Thus saith Cyrus king of Persia, All the kingdoms of the earth hath the LORD God of heaven given me; and **he hath charged me to BUILD HIM AN HOUSE IN JERUSALEM, which is in Judah. Who is there among you of all his people? THE LORD HIS GOD BE WITH HIM, AND LET HIM GO UP.***
