#1450 (Re)building the Walls of the *Christian* New Israel and the *Jewish* new Israel – Rebuilding the Walls of the *Jewish* new Israel, including the literal Wall of Separation

Now let's shift our focus from the rebuilding of the Walls of the *Christian* New Israel (America-Babylon the Great) to the rebuilding of the Walls of the *Jewish* new Israel. The subject is covered in this one Unsealing only.

Key Understanding #1: In short, the building of the Walls of the *Jewish* new Israel refers to the building of Israel's defenses to protect itself. Since the beginnings of the modern *Jewish* new Israel in the 1940's until the present, America has aided the nation of Israel in the building of its Walls (its defenses) to protect itself.

Key Understanding #2: However, in recent years, Israel has itself built *a literal wall of separation* (pictured on the *right*) – the Israeli West Bank barrier – between the Palestinian West Bank and Israel, for the purpose of protecting itself. [At the time of this writing, the barrier consists of trenches, walls, and barbed wire fences stretched across the Palestinian West Bank.] The goal of the wall is to seal off Palestinian territories from Israeli population centers for the purpose of preventing terrorist acts by Palestinians against people living in Israel.

Here is **#1450–Doc 1**, about **the Israeli West Bank barrier**. It is a long article, so simply read as much as you care to.

Nehemiah 2:17 (KJV) Then said I [Nehemiah] *unto them, Ye see the distress that we are in, how **JERUSALEM LIETH WASTE, and the gates thereof are burned with fire: come, and LET US BUILD UP THE WALL OF JERUSALEM, that we be no more a reproach**.*
