#1666 The Yom Kippur War and the Abomination of Desolation – The series of 4's (fours) leading up to and surrounding the latter day(s) fulfillment of Daniel 8:9 through Harry Truman and the Atomic Bomb, part 4n, The Four Years from the Atlantic Charter to the Atomic Bomb: The Dakotas and '89

Review (from Unsealing #1630): The Lord ordained the movie *North by Northwest* to extensively encompass Mount Rushmore and its Four Presidents because of Mount Rushmore's part in the *latter day(s)* fulfillment of Daniel 8:9 – which surrounds the United States of America as the *second* Syrian Daniel 8:9 little horn, waxing great "toward the <u>south</u>, and toward the <u>east</u>, and toward the pleasant land."

The latter day(s) fulfillment of Daniel 8:9: Harry Truman's United States fulfilled Daniel 8:9 as the second Syria

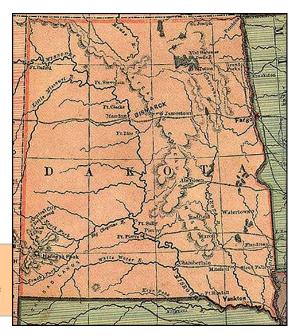

Daniel 8:9 (KJV) And OUT OF ONE OF THEM [the second Syria, the United States] CAME FORTH A LITTLE HORN, which waxed EXCEEDING GREAT, toward THE SOUTH, and toward THE EAST, and toward THE PLEASANT LAND [Harry Truman, through the double events of the dropping of the Pu-239 August 9, 1945, atomic bomb and the May 14-15, 1948, U.S.-recognized birth of Israel].

Question: Is there another link between the <u>Four Presidents</u> of Mount Rushmore and the August 9, 1945, atomic bomb, aside from their common link to the Four Freedoms?

Key Understanding and Answer: Yes. <u>Dakota</u> links the <u>Four Presidents</u> of Mount Rushmore with the August 9, 1945, atomic bomb.

Dakota and the Four Presidents of Mount Rushmore, and '89: Mount Rushmore is located in South Dakota, which at one time was part of the territory of the Dakotas. Furthermore, South Dakota (the 40th state) and North Dakota (the 39th state) both became states in '89, on November 2, 1889. (The boundary between South Dakota and North Dakota was also established in 1889, in February.) In short, the Lord ordained the history of the Dakotas to be extensively linked with '89 because of their part in the fulfillment of Daniel 8:9.

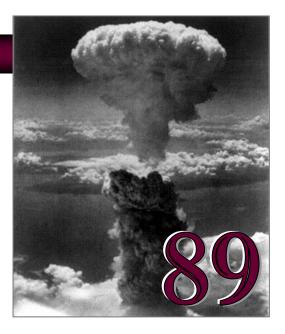

This map shows the territory of the Dakotas between 1868 and 1889. In February 1889 the boundary between North Dakota and South Dakota was established, and both became states in November of the same year.

<u>Dakota</u> and the <u>August 9</u>, 1945, <u>atomic bomb</u>: The <u>Rosemary's Baby</u> August 9, 1945, atomic bomb is connected to Dakota, because the exterior of the Dakota apartment building in Manhattan – named after the territory of the Dakotas when it was first built in the late

1800's – was used for the suggested setting of the action in the movie *Rosemary's Baby*. (Recall as well that the fictitious story of *Rosemary's Baby* was itself attached to August 9 and the number 89, Unsealing #1528.)
