

**#1714 The Yom Kippur War and the Abomination of Desolation – The pre-World War II U.S. waxing great toward the South and toward the East as a *second* Syria/Antiochus IV Epiphanes, part 7, South Dakota and Mount Rushmore fit in quite easily with the entire theme of the *northwest territory* because of the Lewis and Clark Expedition**

Unsealing #1630 explained that the reason why South Dakota and Mount Rushmore were such a prominent part of the 1959 movie *North by Northwest* is because Mount Rushmore plays a major role in the fulfillment of Daniel 8:9 and “*toward the South, toward the East, and toward the Pleasant Land.*” Encompassed in the entire theme is also the idea that South Dakota and Mount Rushmore would be considered to be located in both the *northern* United States and the *western* United States.

**With the additional very recent understanding of the double of the *Northwest Territory* of George Rogers Clark and the *northwest territory* of William Clark, it is easy to see that . . .**

**Key Understanding: *Mount Rushmore in the northwest territory.* South Dakota and Mount Rushmore fit in quite easily with the entire theme of the *northwest territory* of the Lewis and Clark Expedition, for the (Missouri River) path of Lewis and Clark both going to and coming from the Pacific Ocean led through what is now South Dakota.**

**Daniel 8:9 (KJV) *And OUT OF ONE OF THEM* [the *second* Syria, the United States, located in the northwest part of the world] *CAME FORTH A LITTLE HORN, which waxed EXCEEDING GREAT* [from the George Rogers Clark Northwest Territory and the Lewis and William Clark northwest territory], *toward THE SOUTH, and toward THE EAST, and toward THE PLEASANT LAND.***
