

#1745 The Yom Kippur War and the Abomination of Desolation – The post-World War II U.S. waxing great toward the South and toward the East as a *second* Syria/Antiochus IV Epiphanes, part 4, Churchill waxed great toward the south to help Greece in World War II against Hitler's Nazi Germany and Fascism on January 6, 1941, while Truman waxed great toward the east to help Greece in the Cold War against Stalin's Soviet Union and Communism on March 12, 1947

Greece, which is a focal point in the layered fulfillments of the prophecy of Daniel 8:9, would in the *post-World War II* era again play a major role as the United States fulfilled its role as a *second* Syria in Daniel 8:9.

Key Understanding: Events that took place in both World War II and the Cold War were a part of the fulfillment of Daniel 8:9. Churchill waxed great toward the *south* to help Greece in World War II against *Hitler's Nazi Germany and Fascism* on January 6, 1941 [reference Unsealings #1694–#1696], while the Truman Doctrine waxed great toward the *east* to help Greece in the Cold War against *Stalin's Soviet Union and Communism* on March 12, 1947. [Note: Unsealing #1703 discussed the fact that Mussolini's Italy also waxed great toward the *east* in its October 28, 1940, invasion of Greece.]

Churchill waxed great toward the *south* to help Greece in World War II against *Hitler's Nazi Germany and Fascism* on January 6, 1941.

Truman waxed great toward the *east* to help Greece in the Cold War against *Stalin's Soviet Union and Communism* on March 12, 1947.

Daniel 8:9 (KJV) And OUT OF ONE OF THEM [the *second* Syria, the United States] CAME FORTH A LITTLE HORN, which waxed EXCEEDING GREAT, toward THE SOUTH [which during the *pre-World War II* era includes (a) the impact of the United States on Latin American independence, (b) the Monroe Doctrine, (c) the U.S. gaining control over the Panama

Canal Zone, and (d) the Roosevelt Corollary to the Monroe Doctrine], ***and toward THE EAST*** [which includes the *post*-World War II era East-West Cold War between the U.S. and the Soviet Union, which had beginnings wrapped around ***the Truman Doctrine*** to prevent Greece from falling into the Soviet sphere], ***and toward THE PLEASANT LAND.***
