

#1796 The Yom Kippur War and the Abomination of Desolation – The post-World War II U.S. waxing great toward the South and toward the East as a *second* Syria/Antiochus IV Epiphanes, part 55, *Irving Berlin and God Bless America: And the rain descended, and the floods came, and the winds blew on September 21, 1938*

Key Understanding: Enormous amounts of rain, significant floods, and huge winds were all prevalent in the Great New England Hurricane of September 21, 1938, and were symbolic of events that took place on September 21, 1938, and November 10, 1938, that evidenced the power of Nazi Germany that was about to sweep Europe. The Lord ordained the rain, floods, and winds of September 21, 1938, as a part of the fulfillment of Matthew 7:24-27.

Matthew 7:24-27 (KJV)

Therefore whosoever heareth these sayings of mine, and doeth them, I will liken him unto a wise man, which built his house upon a rock:

25 AND THE RAIN DESCENDED, AND THE FLOODS CAME, AND THE WINDS BLEW, and beat upon that house; and it fell not: for it was founded upon a rock.

26 And every one that heareth these sayings of mine, and doeth them not, shall be likened unto a foolish man, which built his house upon the sand:

27 AND THE RAIN DESCENDED, AND THE FLOODS CAME, AND THE WINDS BLEW, and beat upon that house; and it fell: and great was the fall of it.
