

#1931 The Yom Kippur War and the Abomination of Desolation – The post-World War II U.S. waxing great toward the South and toward the East as a *second* Syria/Antiochus IV Epiphanes, part 190, **The Assassination of John F. Kennedy, (xi), Oswald: Repeat of Unsealing #402 about the First Oswald Head Wound**

Key Understanding: A review of Unsealings [#397–#408](#), which were a part of two back-to-back series titled The First Oswald Head Wound (Unsealings [#397–#405](#)) and The Second Oswald Head Wounds (Unsealings [#406–#408](#)), will help to establish why the Lord ordained the assassin of John F. Kennedy to be a man named *Oswald*. Below is a repeat of Unsealing [#402](#).

#402 The First Oswald Head Wound – The Revolutionary War is prophetically tied indirectly to the Space Race to show Great Britain to be the “forerunner” 7th Head

Wernher von Braun after his surrender to the Americans at Peenemunde

We have discussed that not only did Third Reich Germany (1933-1945) and the Soviet Union (1917-1991) each last only “a short space” in their fulfillments as Double 7th Heads (or Kingdoms) of Revelation 17:10, but that each was a part of the Space Race as well. Unsealing [#124](#) was titled The Short Space Kingdoms – The Mixture of Germany, the U.S., and the USSR in the Space Race, and noted that both the United States and the Soviet Union founded and developed their own Space Race programs by using captured German scientists and captured German equipment from the German V-2 rocket program.

Wernher von Braun walking with President Kennedy at Redstone Arsenal in 1963

Revelation 17:10-11 (KJV) . . . and THE OTHER [the Seventh Kingdom, the USSR] IS NOT YET COME; and when he cometh, he [the Double Seventh Kingdoms, Third Reich Germany and the USSR] must continue A SHORT SPACE. [The Space Race defined the Cold War competition between the USSR, the 7th Kingdom, and the U.S., the 8th Kingdom. Germany’s V-2 rocket from World War II provided the basis for the Space Race. Also, America is represented by the April 30, 1945, birth of Michael Smith, pilot of the Challenger, on the day that Adolf Hitler died.]

11 And **THE BEAST** [out of the Pit in Rev. 17:08, the United States of America] that was, and is not, even **HE IS THE EIGHTH**, and is of the seven, and goeth into perdition.

The “forerunner” 7th Head Great Britain was **not** part of the Space Race. Although Third Reich Germany and the Soviet Union were a part of the Space Race as the Double 7th Kingdoms of Revelation 17:10, the “forerunner” 7th Head Great Britain was obviously *not* a part of the Space Race. However . . .

Key Understanding: *The Lord has purposely and indirectly tied Great Britain to the “short space” Space Race. While the “forerunner” 7th Head Great Britain in the Revolutionary War was obviously not directly connected to the “short space” Space Race of Revelation 17:10, the Lord has purposely and indirectly tied it to the “short space” Space Race through other means, such as the two men named James Lovell. Why did the Lord do this? The Lord did this for the purpose of confirming that indeed Great Britain in the Revolutionary War belongs in the role of the “forerunner” 7th Head of Revelation 17:10, and thus also is in Revelation 13:3.*

April 11, 1970, lift-off of Apollo 13

Revelation 13:3 (KJV) And I SAW ONE OF HIS HEADS [the “forerunner” 7th Head, Great Britain] **AS IT WERE WOUNDED TO DEATH** [in the Revolutionary War – the First Oswald Head Wound]; **AND HIS DEADLY WOUND WAS HEALED:** *and all the world wondered after the beast.*
