

**#1950 The Yom Kippur War and the Abomination of Desolation – The post-World War II U.S. waxing great toward the South and toward the East as a *second* Syria/Antiochus IV Epiphanes, part 209, The Assassination of John F. Kennedy, (xxx), John F. Kennedy in the Little Horn passage of Daniel 7:8-11: *Nixon and Kennedy*: 178 ‘Beast out of the Pit’ years between the ‘Oswald’ January 20, 1783, preliminary peace treaty with Great Britain which finalized American independence, and the January 20, 1961, ‘heirs of that first revolution’ inaugural address of John F. Kennedy after defeating Richard Nixon**

**Richard Oswald on January 20, 1783.** On April 12, 1782, Benjamin Franklin began peace talks in Paris with Great Britain’s Richard Oswald to end the Revolutionary War. This eventually led to what was called the “Preliminary Articles of Peace, November 30, 1782, ratified by the Declarations for Suspension of Arms and Cessation of Hostilities, January 20, 1783.”

Here is #1950–Doc 1, the content of the “**Preliminary Articles of Peace, November 30, 1782, ratified by the Declarations for Suspension of Arms and Cessation of Hostilities, January 20, 1783.**” It is suggested that *only* the first sentence of the first paragraph be read, for the purpose of once more seeing the role of Richard Oswald in the ending of the Revolutionary War.

**Key Understanding: *Daniel 7:8 and John F. Kennedy.* To further show the link between the rise of America as the Little Horn, in fulfillment of Daniel 7:8, and John F. Kennedy, the Lord ordained 178 ‘Beast out of the Pit’ years – in a further revealing of Revelation 17:8 – between the ‘Oswald’ January 20, 1783, preliminary peace treaty with Great Britain which finalized American independence, and the January 20, 1961, ‘heirs of that first revolution’ inaugural address of John F. Kennedy after defeating Richard Nixon.**

*Below* is a repeat of Unsealing #6, with the addition of Richard Oswald to the content (for the purposes of this Unsealing).

**#6 Daniel 7:8 – Col. John Nixon to Kennedy-Nixon**

On **January 20, 1783**, England signed a preliminary peace treaty with France and Spain, this leading to England officially declaring an end to hostilities in America on February 4, 1783, resulting in the American victory in their war for independence. [Britain’s chief negotiator was Richard Oswald.]

*178 years later . . .*

On **January 20, 1961**, John F. Kennedy, who had defeated Richard Nixon, gave his Inaugural Address.

**Key Understanding:** There were 178 years between the January 20, 1783, preliminary peace treaty which signaled American victory for its *Declaration of Independence* (which was first read publicly by Col. John Nixon), and the January 20, 1961, Inaugural Address of John F. Kennedy, who had defeated Richard Nixon in the 1960 presidential election. In Kennedy's famous address, he emphasized that the Americans "dare not forget today that we are the heirs of that first revolution." The 178 years from "that first revolution" of Col. John Nixon to Kennedy-Nixon were ordained by the Lord for the purpose of confirming that America was the Revelation 17:8 Beast ascending out of Pitt's England, on January 20, 1783.

*Revelation 17:8 (KJV) **THE BEAST** that thou sawest was, and is not; and **SHALL ASCEND OUT OF THE BOTTOMLESS PIT**, and go into perdition: and they that dwell on the earth shall wonder, whose names were not written in the book of life from the foundation of the world, when they behold the beast that was, and is not, and yet is.*

[This time we see it appropriately as Revelation 17:8, instead of Rev. 17:08, which revealed the role of William Pitt in prophecy.]

Note this as well – the above prophetic correlation connects the Rise of the Little Horn Nation of Daniel 7:8 (through Col. John Nixon) with the Beast ascending out of the Pit in Revelation 17:08.
