

#1968 The Yom Kippur War and the Abomination of Desolation – The post-World War II U.S. waxing great toward the South and toward the East as a *second* Syria/Antiochus IV Epiphanes, part 227, The House of Orange, (v), Repeat of Unsealing #268 about the England-Netherlands Pit – The English-Netherlands Bill of Rights of 1689, part 1

*Daniel 7:11 (KJV) I beheld then because of **THE VOICE OF THE GREAT WORDS WHICH THE HORN SPAKE** [represented by John F. Kennedy's inauguration speech of January 20, 1961]: **I BEHELD EVEN TILL THE BEAST WAS SLAIN** [warned about by the presaging event of the November 22, 1963, Oswald assassination of **John F. Kennedy**], **AND HIS BODY DESTROYED, AND GIVEN TO THE** [eternal] **BURNING FLAME** [warned about by the eternal flame placed on the gravesite of John F. Kennedy at his burial on November 25, 1963].*

In order to thoroughly incorporate the prophetic theme of the House of Orange into what has already been covered in the Unsealings, a review of where we have been concerning the role of the Netherlands in prophecy is necessary. *Below* is a repeat of Unsealing [#268](#).

#268 The England-Netherlands Pit – The English-Netherlands Bill of Rights of 1689, part 1

At this time we are going to address just one role of the Netherlands as concerns the United States being the Beast out of the Pit of *England-Netherlands*. The Beast has Ten Horns, referring to the December 15, 1791, U.S. Bill of Rights.

The English Bill of Rights of 1689 is entirely connected to the Netherlands

*Revelation 17:08 (KJV) **THE BEAST** that thou sawest was, and is not; and **SHALL ASCEND OUT OF THE BOTTOMLESS PIT** [having historical roots in the combination of *England-Netherlands*, but also having the spiritual roots that came with those historical roots. Those spiritual roots were not from God, but were from the spiritual abyss, the spiritual pit, the spiritual netherworld] and go into perdition: and they that dwell on the earth shall wonder, whose names were not written in the book of life from the foundation of the world, when they behold the beast that was, and is not, and yet is.*

Question: Does the U.S. Bill of Rights have any historical link or connection with the *Netherlands*, so as to verify and clarify the prophetic theme of the Beast out of the Pit of *England-Netherlands* with its 'Bill of Rights' Ten Horns?

Answer: Yes.

The English-Netherlands Bill of Rights of 1689. What is known as the **English Bill of Rights of 1689** is considered to be an *antecedent*, or predecessor, of the December 15, 1791, U.S. Bill of Rights of the U.S. Constitution. The English Bill of Rights was entirely connected to the Netherlands. We will expand upon the circumstances surrounding the advent of the English Bill of Rights of 1689 in the next Unsealing.

Key Understanding: *The English-Netherlands Bill of Rights.* The English Bill of Rights of 1689, which was an antecedent of the American Bill of Rights, was not just connected to *England*, but also to the *Netherlands*. The English Bill of Rights of 1689 helped to lay the foundation for the U.S. ‘Bill of Rights’ Ten Horns of the Beast, which thus not only had *historical roots* from *England-Netherlands*, but also had the *spiritual roots* that came with those historical roots. Those *spiritual roots* were not from God, but were from the *spiritual abyss*, the *spiritual pit*, the *spiritual netherworld*.

Let’s go to the story of the circumstances surrounding the advent of the English Bill of Rights of 1689.

1989 was the 300th anniversary of the English Bill of Rights
