

#1984 The Yom Kippur War and the Abomination of Desolation – The post-World War II U.S. waxing great toward the South and toward the East as a *second* Syria/Antiochus IV Epiphanes, part 243, **The House of Orange, (xxi), Washington as a *second* Prince of Orange advancing the rights of man**

Review (from the previous Unsealing): *The prophetic significance of the Battle of Princeton.* The American victory at Princeton, which was named after William III, Prince of Orange, revived the hopes of the patriots of implementing their independence from Great Britain, that is, fulfilling America’s destiny as the Beast arising out of the England-Netherlands pit.

Key Understanding: *Washington, a second Prince of Orange. George Washington, through the January 3, 1777, Battle of Princeton – which unfolded at the town named after William III, Prince of Orange – prophetically became a type of second William III of Orange, advancing the rights of man on behalf of the ultimate Prince of Orange, the Prince of the Underworld, toward fulfilling America’s destiny as the Beast arising out of the England-Netherlands pit.*

To the *left* is William III, Prince of Orange and Nassau. To the *right* is the famous *Washington at Princeton* painting by Charles Willson Peale (1779).

Revelation 17:08 (KJV) THE BEAST [America, the Eighth (8th) Kingdom, Revelation 17:11] *that thou sawest was, and is not; and SHALL ASCEND OUT OF THE BOTTOMLESS PIT* [having *historical roots* in the combination of *England-Netherlands*, but also having the *spiritual roots* that came with those historical roots. Those *spiritual roots* were not from God, but were from the *spiritual abyss*, the *spiritual pit*, the *spiritual netherworld*. America’s ascension as the 8th Kingdom included the initial phase of Protestant England ‘rising’ out of the Netherlands, represented through the defeat of the Spanish Armada in ‘88 (1588) and the successful invasion of the Dutch Armada in ‘88 (1688), **and then included, during the Revolutionary War, the important American victory at Princeton, named after William III, Prince of Orange**, and go into perdition: and they that dwell on the earth shall wonder, whose names were not written in the book of life from the foundation of the world, when they behold the beast that was, and is not, and yet is.
