

**#2036** The Yom Kippur War and the Abomination of Desolation – The post-World War II U.S. waxing great toward the South and toward the East as a *second* Syria/Antiochus IV Epiphanes, part 295, **The Stern Gang, (xix), The Stern Gang characterized Great Britain as having an anti-Jewish Nazi Germany-like (*competing*) *stern-faced king* role, rather than a pro-Jewish U.S.-like (*primary*) *stern-faced king* role**

**Review:** *The Stern Gang.* The Stern Gang, an armed underground Zionist faction founded by Abraham Stern, was and is a piece of the story of the fulfillment of the *stern-faced king* of Daniel 8:23. It arose in the midst of the World War II conflict between the *competing* Stern-faced King and *primary* Stern-faced King. The Stern Gang was composed of militants who split from the Jewish terrorist group Irgun after the leader of Irgun, Zeev Jabotinsky, declared a cease-fire in the fight against Britain and its mandate troops in Palestine during World War II. The Stern Gang had as its goal the end of British rule over Palestine and eviction of the British authorities from Palestine for the purpose of allowing unrestricted immigration of Jews to Palestine and the formation of the Jewish state (which occurred on May 14-15, 1948).

**Key Understanding:** *Great Britain was likened to Nazi Germany. The Stern Gang characterized Great Britain as having an anti-Jewish Nazi Germany-like (*competing*) *stern-faced king* role, rather than a pro-Jewish U.S.-like (*primary*) *stern-faced king* role.*
