

#2187 The Yom Kippur War and the Abomination of Desolation – The post-World War II U.S. waxing great toward the South and toward the East as a *second* Syria/Antiochus IV Epiphanes, part 446, **The Pale Horse, (xliii), The Fourth Part of the Earth: The relationship between the Monroe Doctrine and the Holy Alliance**

Key Understanding: *The relationship between the Monroe Doctrine and the Holy Alliance.* The purpose of this Unsealing is to review the relationship between the Monroe Doctrine and the 1815 Holy Alliance. The purpose of reviewing the relationship between the Monroe Doctrine and the Holy Alliance is that it is a major step in reaching the understanding that the Monroe Doctrine, which represented the **“fourth part of the world,”** was related to the Holy Alliance’s **“fourth partition of Poland”** in 1815.

President James Monroe

Monroe vs. the 1815 Holy Alliance. [Reference Unsealings [#74–#75](#), [#155](#), and [#1725](#).] One of the major purposes of U.S. President James Monroe’s Monroe Doctrine was to counter any decision made by the Holy Alliance of Prussia (Germany), Austria, and Russia to aid Spain in regaining territories that had declared their independence in Latin America. In doing so, the motive of the Holy Alliance would have been to curb revolutions against autocratic rule in Europe.

The ‘New World vs. Old World’ situation created by the Monroe Doctrine, which supported the independence of colonies from their European colonial overlords, and thus was in basic opposition to possible motives of the Holy Alliance of Prussia, Austria, and Russia to aid Spain in regaining Latin American colonies that had declared independence in the New World, *presaged* the geo-political (and prophetic) development during World War I when the United States, representing *Christian Democracy*, became the Fourth Christian Rome, at the time of the demise of the Prussian, Austrian, and Russian Empires, which had represented *Christian Autocracy*.

After the defeat of Napoleon, on September 26, 1815, in the name of the Trinity, the so-called Holy Alliance was proclaimed by the Tsar of Russia, and the Austrian and Prussian empires. The Holy Alliance of Tsar Alexander I of Russia, Emperor Francis I of Austria, and King Friedrich Wilhelm III of Prussia (*pictured from left to right*).

Revelation 6:8 (KJV) And I looked, and behold A PALE HORSE: and his name that sat on him was DEATH, AND HELL followed with him. And power was given unto them over THE FOURTH PART OF THE EARTH, to kill (i) with sword, and (ii) with hunger, and (iii) with death, and (iv) with the beasts of the earth.
