

#2210 The Yom Kippur War and the Abomination of Desolation – The post-World War II U.S. waxing great toward the South and toward the East as a *second* Syria/Antiochus IV Epiphanes, part 469, **The Pale Horse, (Ixvi), The United States of America as the *primary* Pale Horse Rider Assassin of the Pale Horse Riders**

Key Understanding: *The United States of America as the primary pale horse rider assassin of the pale horse riders.* Because (i) Alexander Kerensky’s democratic Provisional Government symbolized – and represented prophetically – the democracy of the United States in the first Russian revolution of 1917 that overthrew the Tsarist Russian Empire, and because (ii) the entry of the United States of America into World War I led to the Allied victory and the demise of the Austrian-Hungarian Empire, and because (iii) the entry of the United States into World War II led to the demise of Germany’s Third Reich, the United States of America can be considered the ultimate and primary assassin of the three Pale Horse Riders.
