

#2214 The Yom Kippur War and the Abomination of Desolation – The post-World War II U.S. waxing great toward the South and toward the East as a *second* Syria/Antiochus IV Epiphanes, part 473, **The Pale Horse, (lxx), Hitler as a *competing* Austrian Successor**

**The Pale Horse Rider Austrian Empire.** Franz Joseph (*above*) ruled the Austrian Empire for 68 years (December 2, 1848, to November 21, 1916). His heir-apparent, Archduke Franz Ferdinand, was assassinated, an event which sparked World War I, which in turn led to the break-up of the Austrian Empire at the end of the war. During the World War II time period, Adolf Hitler and Nazi Germany would entertain the prophetic role as the *competing* Austrian Successor (vs. the *real* Austrian Successor, the United States of America).

**Key Understanding: Hitler and Nazi Germany as a *competing* Austrian Successor.** In 1938, German troops seized Austria. Adolf Hitler announced the *anschluss* (union) of Austria and Germany. In that role, Hitler's Nazi Germany was the *competing* successor of the Austrian Empire that had been broken apart at the end of World War I.

***Revelation 13:1 (KJV) And I stood upon the sand of the sea[shore], and saw A [Daniel 7:8 Little Horn 'Fourth Rome', and Austrian Successor] BEAST RISE UP OUT OF THE SEA, HAVING SEVEN HEADS AND TEN HORNS, and UPON HIS [Ten] HORNS TEN CROWNS, and upon his heads the name of blasphemy.* [The Ten Horns with Ten Crowns are fulfilled through the Bill of Rights of December 15, 1791, 29 years *less 2 months* after the February 15, 1763, Treaty of Hubertusburg ended the Seven Years' War. **This was America's *first* Austrian Succession, with its entry into and victory in World War I representing its *second* Austrian Succession.**]**
