

#2282 The Yom Kippur War and the Abomination of Desolation – The post-World War II U.S. waxing great toward the South and toward the East as a *second* Syria/Antiochus IV Epiphanes, part 541, **The Pale Horse, (cxxxviii), The Pale Assassins of Franz Ferdinand and John F. Kennedy**

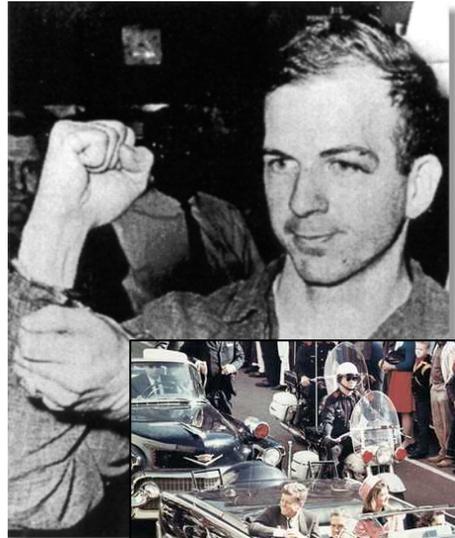

Key Understanding #1: *World War I and the assassinations of Franz Ferdinand and John F. Kennedy.* There are direct prophetic correlations between the assassination of Austrian Archduke Franz Ferdinand and the assassination of U.S. President John F. Kennedy. First, the assassination of Franz Ferdinand sparked World War I, while the birth of John F. Kennedy on May 29, 1917, was 2 months after the birth of Man o' War and occurred in conjunction with the U.S. entry into World War I. [Reference Unsealing #1996.]

Key Understanding #2: *The pale assassins of Franz Ferdinand and John F. Kennedy.* Secondly, one of those involved in the assassination of Franz Ferdinand, Trifko Grabez, was from Pale, Bosnia [reference Unsealing #2198], while the assassin of John F. Kennedy, Lee Harvey Oswald, resided for a time in the Soviet Union in Minsk, Belarus – in the former Pale of Settlement – before departing the Soviet Union in early June 1962 to come back to the U.S.

Trifko Grabez was a Pale assassin of Franz Ferdinand

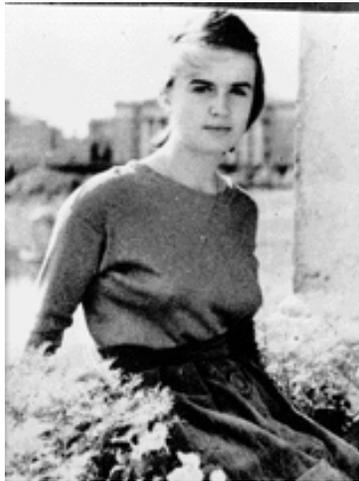

Lee Harvey Oswald was the Pale assassin of John F. Kennedy

Lee Harvey Oswald in the Pale. Lee Harvey Oswald was born on October 18, 1939, two months after the death of his father. His mother remarried, but the marriage ended in divorce when Lee was 9. After completing the 9th grade, Oswald dropped out of school at 16. The next year he joined the Marine Corps. In 1959, pleading ill health and strained economic

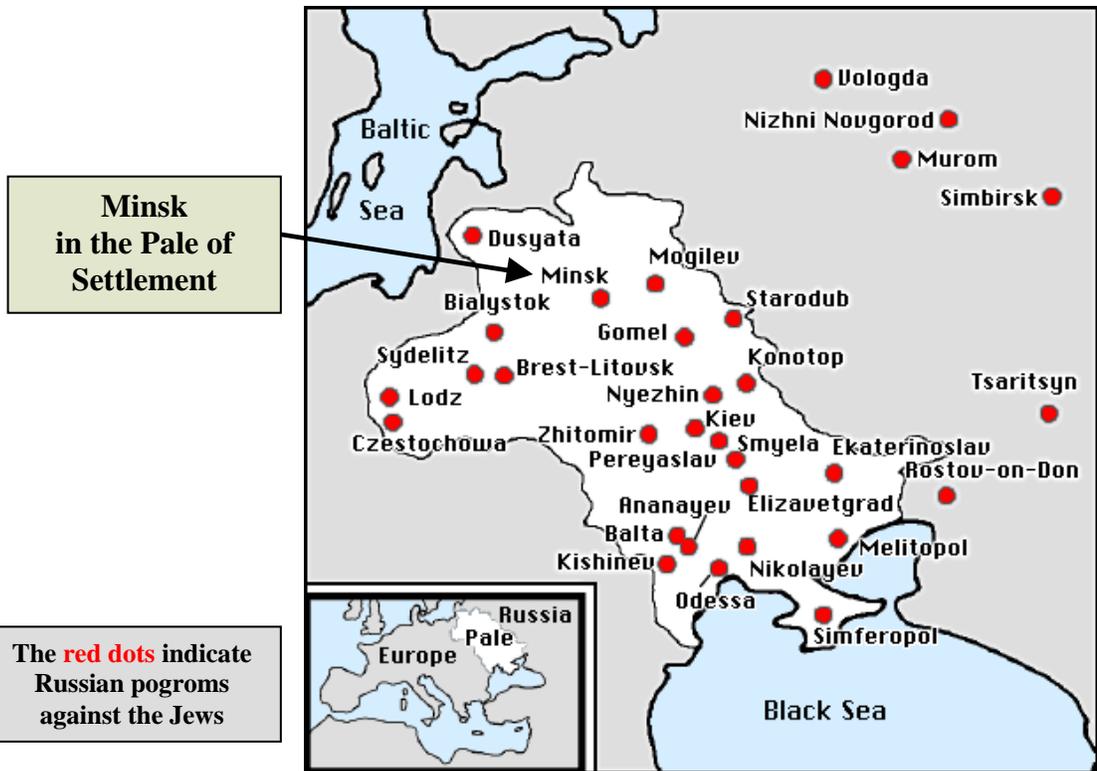

circumstances of his mother, he requested and obtained his release from the Marines. After spending three days with his mother, who was then living in Fort Worth, Texas, he went to New Orleans. From there he traveled to the Soviet Union where he attempted to become a Soviet citizen. Oswald lived in Minsk, Belarus, the majority of the time that he was in the Soviet Union. On April 30, 1961, he married a Russian girl, Marina Nikolaevna Prusakova. Plans were made for the both of them to journey to the United States.
