

#2294 The Yom Kippur War and the Abomination of Desolation – The post-World War II U.S. waxing great toward the South and toward the East as a *second* Syria/Antiochus IV Epiphanes, part 553, **The Prince That Shall Come, (ii), The antichrist White/Pale Horse Riders are the same as “the Prince that shall come” antichrist**

Key Understanding #1: *The white/pale horse rider antichrist figures are the same as “the prince that shall come.”* The White/Pale Horse Riders (reference Unsealing #2278) are antichrist figures. If “the prince that shall come” is representative of antichrist (figures), then the White/Pale Horse Riders could probably be considered to be the same antichrist (figures) as “the prince that shall come.”

The United States was a White Horse Rider/Pale Horse Rider entering World War I on April 2-6, 1917, to make the world safe for democracy

*Daniel 9:26 (KJV) And after threescore and two weeks shall Messiah be cut off, but not for himself: and the people of **THE PRINCE THAT SHALL COME** shall destroy the city and the sanctuary; and the end thereof shall be with a flood, and unto the end of the war desolations are determined.*

Woodrow Wilson

representative of Daniel 9:26, “the prince that shall come”

Key Understanding #2: “The prince that shall come” and World War I. Because the White/Black/Pale Horse Riders are the same as “the prince that shall come,” “the prince that shall come” arises at the same time that the White/Black/Pale Horse Riders arise in conjunction with the events of World War I. Remember, however, there are layered fulfillments of the prophecies, though Woodrow Wilson and the entry of the United States into World War I are central to the fulfillment of the prophecies.
