**#2358** The Yom Kippur War and the Abomination of Desolation – The post-World War II U.S. waxing great toward the South and toward the East as a *second* Syria/Antiochus IV Epiphanes, part 617, **Hebron Massacre of August 23-24, 1929, (xl), The Hebron Massacre occurred 11 years after the World War I rise of the 'Austrian Successor' American "prince that shall come"** 

Key Understanding: Daniel 9:25, "the street shall be built again, and the wall, even in troublous times," and Daniel 9:26, "the prince that shall come," are linked through events 11 years apart. The November 3-4, 1918, rise of the World War I 'Austrian Successor' American "prince that shall come," in partial fulfillment of <u>Daniel 9:26</u>, occurred 11 years (less 2 months and 11 days) before the August 23-24, 1929, Hebron Massacre, which was a part of the fulfillment of <u>Daniel 9:25</u>, and 11 years (less 11 days) before the October 24, 1929, Wall Street Crash, which was also a part of the fulfillment of <u>Daniel 9:25</u>. [The significance of the 11 years will be discussed shortly.]
