

**#2380** The Yom Kippur War and the Abomination of Desolation – The post-World War II U.S. waxing great toward the South and toward the East as a *second* Syria/Antiochus IV Epiphanes, part 639, **Building the Christian-Jewish-Arab Temple, (xviii), Building the Temple of Christians and Jews**

The building of the temple of Christians and Jews has already been thoroughly discussed in a significant number of Unsealings, some of which will follow this Unsealing as reviews.

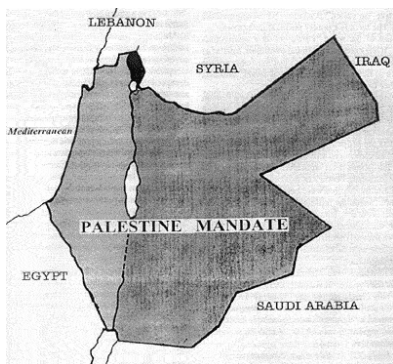

**Key Understanding: Building the 'Third Temple' of the Jews.** However, the main thrust of the subject matter is that the United States, as the true second Babylon, or Babylon the Great, but also simultaneously in the role as a *second* but *counterfeit* Media-Persia, (i) delivered the Promised Land (with the significant involvement of Great Britain) out of the hands of the Ottoman Empire in World War I, and (ii) delivered the Jews (finally) from the Holocaust and Nazi Germany in World War II, into the Promised Land.

**Step 1 – attached to World War I**

**Step 2 – attached to World War II**
