

#2445 The Yom Kippur War and the Abomination of Desolation – The post-World War II U.S. waxing great toward the South and toward the East as a *second* Syria/Antiochus IV Epiphanes, part 704, **Building the Christian-Jewish-Arab Temple, (lxxxiii), *Building vs. destroying the city, the sanctuary, the street, and the wall is completely tied to breaking down the wall of division between Jews and Arabs vs. constructing the wall of division between Jews and Arabs***

Key Understanding (of this Unsealing #2445): Let’s review Unsealing **#2340**, because the contents of (especially) Key Understandings #2 and #3 describe the *double meanings* of (i) ***constructing the wall of division between Jews and Arabs*** vs. (ii) ***breaking down the wall of division between Jews and Arabs*** prophetically associated with the August 24, 1929, Hebron Massacre and the October 24, 1929, Wall Street Crash. The reason for the double meanings is that the events are fulfilling the opposing spirits depicted in the previous Unsealing about the ***building*** and the ***destroying*** of the *city, the sanctuary, the street, and the wall*.

#2340 The Yom Kippur War and the Abomination of Desolation – The post-World War II U.S. waxing great toward the South and toward the East as a *second* Syria/Antiochus IV Epiphanes, part 599, Hebron Massacre of August 23-24, 1929, (xxii), **The similar themes of (a) the wall (of partition) *breaking down* and (b) the Wall Street Crash**

Key Understanding #1 (of Unsealing #2340): Because the August 24, 1929, Hebron Massacre is a part of the overall prophetic picture that surrounds Ephesians 2:14, *For he is our peace, who hath made both one, and hath broken down the middle wall of partition between us*, the massacre can be called the ‘wall of partition’ Hebron Massacre. The August 23-24, 1929, ‘wall of partition’ Hebron Massacre came exactly 2 months before the October 24, 1929, Wall Street Crash.

*Ephesians 2:14 (KJV) For he is our peace, who hath made both one, **AND HATH BROKEN DOWN THE MIDDLE WALL OF PARTITION BETWEEN US;***

The theme of Ephesians 2:14 is clearly tied to the event of the ‘Western Wall’ Hebron Massacre of August 23-24, 1929.

Key Understanding #2: *Constructing the wall of division between Jews and Arabs.* Of course, the Hebron Massacre, instead of *breaking down* a wall of division between Jews and Arabs, *constructed* a wall of division between Jews and Arabs (representing a *breaking down* of the *relationship* between Jews and Arabs), though its construction of a wall of division between Jews and Arabs became directly related to the September 13, 1993, Oslo Accord covenant, which was a *counterfeit* of Ephesians 2:14, and which then *did* represent a *breaking down* of the middle wall of partition between Jews and Arabs.

Key Understanding #3: ‘*Breaking down*’ and ‘*crash*’. Ultimately, the “*breaking down*” of the *relationship* between Jews and Arabs on August 24, 1929, is to be correlated with the similar theme of “*crash*” associated with Wall Street exactly 2 months later on October 24, 1929, though ultimately the theme of the Wall Street *Crash* is prophetically associated with the *breaking down* of the *wall* of partition between Jews and Arabs. The reason for the double meanings and double relationships will become more apparent later.

[Note added for this Unsealing #2445: The time when it will become “more apparent later,” referred to in the last sentence *above*, is now, and more specifically, in the next Unsealing.]
