#350 The Deadly Wound of the Beast – The *Heads* and *Husbands* themes connected with the Beast and Babylon the Great

The purpose of this Unsealing is primarily to outline understandings that will become more important later. Don't get confused if it is not entirely clear why we are covering it at this time. We simply need to outline some major points that we can return to later.

Key Understanding: *Heads and husbands*. We are focusing on (a) the *Heads* theme with (i) the Beast and (ii) Babylon the Great, and then (b) the *Husbands* theme, also with (i) the Beast and (ii) Babylon the Great.

Remember, in Unsealing [#342](#), we outlined that (i) the Beast and (ii) Babylon the Great are the same. The U-238 August 6, 1945, atomic bomb connected them, for it fulfilled (i) 'Who can make war with the Beast?' in Revelation 13:4, and in addition, (ii) pointed to the United States as a Second Daniel 2:38 Babylon, or Babylon the Great, because of U-238. Let's begin with the *Heads* theme.

(a) The *Heads* theme with (i) the Beast and (ii) Babylon the Great

- (i) **The Beast is connected with the Heads theme** because the Beast is the **8th Head of the Dragon**, seen through Revelation 12:3 and Revelation 13:1, as we have been studying.

- (ii) **Babylon the Great is connected with the Heads theme** simply because it is a second Daniel 2:38 Babylon, with the first Daniel 2:38 Babylon being the **Head of Gold**.

*Daniel 2:38 (KJV) And wheresoever the children of men dwell, the beasts of the field and the fowls of the heaven hath he given into thine hand, and hath made thee ruler over them all. **THOU** [Babylon] **ART THIS HEAD OF GOLD.***

(b) The *Husbands* theme with (i) the Beast and (ii) Babylon the Great

- (i) **The Beast is connected with the Husbands theme** because the 8th Head of the Dragon, the Beast, received its deadly wound at Pearl Harbor on December 7, 1941, where and when **Husband Kimmel** was the head of the U.S. Pacific Fleet.

- (ii) **Babylon the Great is connected with the Husbands theme** because the space-shuttle *Columbia*, whose ill-fated launch occurred on January 16, 2003, and which we will see is tied prophetically to the March 19-20, 2003, start of the Iraq War in the land of Old Babylon, was commanded by NASA astronaut **Rick Husband** (*right*). The reason why America is warring in Iraq – the land of Old Babylon – is because it is a significant part of America fulfilling its destiny as Babylon the Great. However, that is to be fully discussed at a later time.

Big statement for later. There is a ‘Husband to Husband’ timetable from Husband Kimmel to Rick Husband as concerns the overall theme – and longer period of time and timetable of events from World War II to the Iraq War – of the deadly wound to the Beast.
