

#2790 The Yom Kippur War and the Abomination of Desolation – The post-World War II U.S. waxing great toward the South and toward the East as a *second* Syria/Antiochus IV Epiphanes, part 1049, **Palm Beach to Judging Pretender Babylon, (xci), *Columbia* ended the space race with the Soviet Union on July 20-21, 1969, and *Columbia* was coupled with the end of the Saddam Hussein regime**

Key Understanding: *From Columbia to Columbia.* The command module for the July 20, 1969, moon landing was named *Columbia*, and was piloted by astronaut Michael Collins. The moon landing represented the end of the space race to the moon, and was a symbolic defeat of the Soviet Union by the United States. Later, the ill-fated launch of the space shuttle *Columbia* on January 16, 2003, would prophetically point to the March 19, 2003, start of the Iraq War and the defeat of the regime of Saddam Hussein.

July 20-21, 1969
the command module *Columbia*
and the end of the Space Race,
representing the
ultimate defeat of the USSR

The command module Columbia

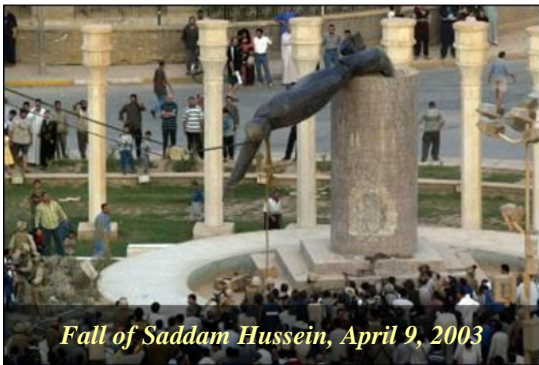

Fall of the USSR, December 8-10, 1991

January 16, 2003
launch of *Columbia*,
coupled with the
defeat of Saddam Hussein

Columbia's launch led to its destruction

Fall of Saddam Hussein, April 9, 2003

Revelation 17:10-12 (KJV) . . . and THE OTHER [the Seventh Kingdom, Hitler's Third Reich Germany] IS NOT YET COME; and when he cometh, he [the Seventh Kingdom,

Hitler's Third Reich Germany, January 30, 1933 – April 30, 1945] must continue A SHORT SPACE. [America as the Beast, the Eighth, and as the winning Space Race Kingdom, is represented by the April 30, 1945, birth of Michael Smith, pilot of the last flight of the space shuttle *Challenger*.]

11 And **THE BEAST** [out of the Pit in Rev. 17:08, the United States of America] *that was, and is not, even HE IS THE EIGHTH, and is of the seven, and goeth into perdition.*

12 **And the ten horns which thou sawest are ten kings** [the Bill of Rights], **which have received no kingdom as yet; BUT RECEIVE POWER AS KINGS ONE HOUR WITH THE BEAST.** [The last flight of the space shuttle *Columbia* marked the *end* of a 41.666-year – or “one hour” – time period when the ten kings received power as kings with the beast.]
