Review (from the Key Understanding of Unsealing [#2786](#)): *The one hour with the beast.* The launch of Alan Shepard on May 5, 1961, which marked America’s entry into the space race against the Soviet Union, also marked the *beginning* of a 41.666-year time period of the ten kings receiving power as kings “one hour with the beast” (Revelation 17:12). The launch of *Columbia* on January 16, 2003, marked the *end* of the same time period.

*Revelation 18:5-6 (KJV) For **HER SINS HAVE REACHED UNTO HEAVEN**, and God hath remembered her iniquities.
6 Reward her even as she rewarded you, and **DOUBLE UNTO HER DOUBLE** according to her works: in the cup which she hath filled fill to her double.*
