

#2801 The Yom Kippur War and the Abomination of Desolation – The post-World War II U.S. waxing great toward the South and toward the East as a *second* Syria/Antiochus IV Epiphanes, part 1060, **Palm Beach to Judging Pretender Babylon, (cii), America-Babylon the Great’s sins reached heaven when it attacked *pretender* Babylon the Great, which America-Babylon the Great had spiritually/prophetically placed in the role of Babylon the Great, Scenario 2**

Key Understanding: *When America’s sins reached heaven.*
 America-Babylon the Great’s sins reached heaven, in fulfillment of Revelation 18:5, when it ‘shock and awe’ attacked *pretender* Babylon the Great (the Iraqi regime of Saddam Hussein), which America-Babylon the Great had spiritually/prophetically placed in the role of Babylon the Great.

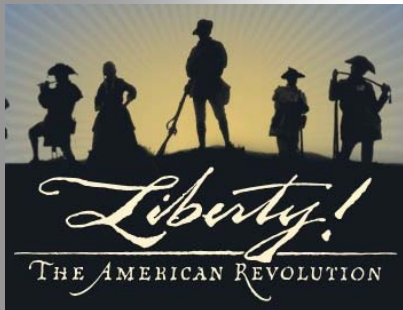

Revelation 17:12 (KJV) And the ten horns which thou sawest are ten kings [the Bill of Rights], which have received no kingdom as yet; BUT RECEIVE POWER AS KINGS ONE HOUR WITH THE BEAST.

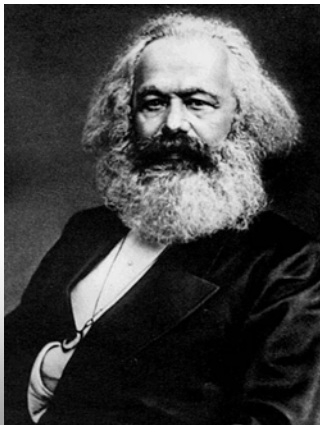

Revelation 18:5 (KJV) For HER SINS HAVE REACHED UNTO HEAVEN, and God hath remembered her iniquities.

July 4, 1776
American independence

May 5, 1818
birth of Karl Marx

January 16, 2003
launch of *Columbia*

March 5, 1818. What puts together the *above* pictorial understanding is the pivotal date of March 5, 1818, which was

- (i) two (2) months before May 5, 1818,
- (ii) 41.666 years after July 4, 1776, and
- (iii) 185 years less 2 months (then add 11 days) before the January 16, 2003, launch of *Columbia*.

Remember, all of the facets of this understanding revolve around the central focus on the dates of July 4-5, 1961, the 185th and 186th days of the 185th year of American independence, which is why – in this particular and unique prophetic understanding – we are using the double days of July 4-5 = May 4-5 = March 4-5 (with 2-month date changes), etc. Therefore, there is a one hour (41 years, 8 months) period of time between July 4-5, 1776, and March 4-5, 1818.
