

#2813 The Yom Kippur War and the Abomination of Desolation – The post-World War II U.S. waxing great toward the South and toward the East as a *second* Syria/Antiochus IV Epiphanes, part 1072, **2nd Edition of the Decline and Fall of the Roman Empire, (xi), From the death of Edward Gibbon on January 16, 1794, to the fall of Saddam Hussein**

Key Understanding: *From the death of Edward Gibbon on January 16, 1794, to the fall of Saddam Hussein. The death of Edward Gibbon on January 16, 1794, exactly 209 “double portion of the spirit” years before the January 16, 2003, ill-fated launch of *Columbia*, pointed to the decline and fall – and the death – of the United States of America as a *second* Rome. Then, there were two months from January 16, 2003, to the March 19, 2003, start of the fall of the regime of Saddam Hussein, which was in the role of the *pretender* Babylon the Great.*
