Chicago. The 2003 Major League Baseball All-Star Game was the 74th midsummer classic between the all-stars of the American League (AL) and National League (NL), the two leagues comprising Major League Baseball. The game was held on July 15, 2003, at U.S. Cellular Field in Chicago, Illinois, the home of the Chicago White Sox of the American League. The game resulted in the American League defeating the National League 7-6, thus awarding an American League team home-field advantage in the 2003 World Series.

Key Understanding: *Daniel 7:4.* The first city of Babylon is seen in Daniel 7:4. The second prophetic reason why the 74th Major League Baseball All-Star Game was played on July 15, 2003, in Chicago and at the ballpark of the Chicago White Sox, is because July 15, 2003 = July 4, 2003, with both of the 74's pointing to Daniel 7:4 and America being the Second City of Babylon, or Babylon the Great.

Daniel 7:1-4 (KJV) In the first year of Belshazzar king of Babylon Daniel had a dream and visions of his head upon his bed: then he wrote the dream, and told the sum of the matters. 2 Daniel spake and said, I saw in my vision by night, and,

behold, the four winds of the heaven strove upon the great sea.

3 And four great beasts came up from the sea, diverse one from another.

*4 **The first [Babylon] was like a lion, and had eagle's wings: I beheld till the wings thereof were plucked, and it was lifted up from the earth, and made stand upon the feet as a man, and a man's heart was given to it.***
